

GOOD RACING ?

Klamath Falls had three days fairly good racing on the 10th, 11th and 12th of October. The Express says that in the quarter mile heat race on the last day there was a fine exhibition of un-sportsmanlike conduct, which disgusted a number of people. In the last heat of the race Parker on Alexander and Baber on Hot Stuff Bessie struck each other with their whips and also struck each others' horses. It was declared a dead heat, but Baber refusing to run it over, it was given to Parker upon running his horse around the track. All pools on the race were declared off.

Following is the summary of the races:

THURSDAY AFTERNOON.

Three-eighths mile dash for two year olds—Won by Wm. Woods' Dairy Maid with Jay Arant up, in 38½ seconds, Len A. second.

Half-mile dash—Won by Alexander, Walter Parker up, in 53½ seconds, Harry Gwenn second, Domino third.

In this race Domino led to the quarter, when he became a quitter and finished badly.

FRIDAY AFTERNOON.

Three-eighths mile and repeat—Won by Alexander in straight heats. Harry Gwenn second, Domino third. Time 39 and 39 seconds.

Saddle Horse Race, three-eighths mile—Jim Corbett, with Jay Arant up, won in 38 seconds, Advance Guard second, Wood River Bally third.

SATURDAY AFTERNOON.

Quarter mile and repeat—First Heat, Alexander won in 25 seconds, Sleepy Dick second, Domino third, Hot Stuff Bessie fourth.

Second Heat—Hot Stuff Bessie won in 25 seconds, Alexander second, Domino third.

Third Heat—Declared a dead heat and won by Alexander on a dash in 24½ seconds, the other horses being withdrawn.

Prominent Visitors.

W. P. Keady and H. V. Gates, two gentlemen who have gained state wide reputations in their different callings, were visitors in Lakeview during the past week. Mr. Keady is now engaged in developing mines in the Ochoco district, Crook county, and expects to uncover a rich property. He was twice Speaker of the House in the Oregon legislature, and also a member of the Board of Regents of the Agricultural College of Corvallis. Mr. Gates is an electric light and water system promoter, and owns several plants in the state, among them the systems at Klamath Falls and Burns. Mr. Gates will soon go to Alturas to discuss with the citizens of that town the proposition of establishing a water system and electric light plant. Both gentlemen were favorably impressed with Lake county, and Mr. Keady promises that the Portland board of trade shall know something about this section as soon as he reaches that city. The Portland board of trade is a bureau of information for capitalists, industry promoters, railroads and improvement companies, and it is from this organization that investors get their information about the various sections of the state. Lake county will lose nothing by the visit of these prominent men, and may derive a great benefit by reason of their trip and the observations taken.

Enjoyable Time at South Warner.

Last Friday night the home of Mr. and Mrs. John Maupin, in South Warner, was the scene of an enjoyable social dance and basket supper. Fifty people were present, and enjoyed the merry dance until early morning. The supper is said to have been an elegant one. People for miles around South Warner attended, and it is said to have been one of the jolliest parties ever held in the valley. Warner people know how to enjoy themselves and such gatherings are frequent. Mr. and Mrs. Maupin were adjudged a most genial host and hostess. Warren Guilliams of Lakeview attended, and says the affair was a grand success.

The "Hello" Line.

Director George Conn of the Lake County Telephone Company, and merchant of Paisley, arrived here Monday evening. Mr. Conn says the work on the line is progressing rapidly, and the wire is being strung from Paisley to Summer Lake. The line will reach the Foster ranch about the first of the week, and will be completed through to Silver Lake by about the 10th of November. There is a gap to fill between the Heryford ranch on the marsh and Paisley, which will not be wired until the line reaches Silver Lake, as it was considered useless to double the ground. It will be but a short time when Lakeview, Paisley, Summer Lake and Silver Lake can pass compliments over the telephone line.

Lake County Stock News.

Joe Howard of Silver Lake started recently for Lost River, Klamath county, with 600 head of his beef cattle. He will feed at Lost River before driving to the railroad to sell. About all of the other beef of Silver Lake have been sold.

Gus Schroder, the stockman and baseball enthusiast, came down from Silver Lake in company with Jim Small, last Friday, and remained several days. Mr. Schroder has been buying cattle and augmenting his band greatly during the past few months.

The Klamath Republican reports the sale of 300 head of beef cattle at that place by J. C. Hotchkiss of Lakeview to Mitchell Bros. The cattle are from the Wood River country, and are good ones.

The 2000 head of the Warner Valley Stock Company's beef bought by W. D. Duke for Miller & Lux are reported to be standing the drive well, and will be in fine condition for shipping.

Messrs. James Small and James Redden the Silver Lake and Summer Lake stockmen, purchased from S. J. Studley, of Goose Lake, last Saturday, fifty head of stock cattle. The stock cattle are yearlings, two-year olds and cows. They also purchased on Monday ten head of stock cattle from Mr. Fisher of the West Side. The cattle will be driven to Mr. Redden's Summer Lake ranch and put in with his band.

C. C. Cannon of New Pine Creek last Saturday sold to McConnaughy of Ft. Bidwell 100 head of stock cattle. Mr. Cannon when asked the price received for the cattle said that he got as much per head as stock sold for in this country thirty years ago.

The 185 head of cattle driven out from Warner by the D. R. Jones vaqueros were sold at Klamath Falls to Mitchell Bros. The two and three year old steers brought 6½ and the cows 5½ cents.

ABNER ARTHUR.

Last week The Examiner made mention of the serious illness of Abner Arthur at his home on the West Side. Despite the efforts of medical skill and careful nursing the young man succumbed to typhoid fever at midnight on Friday, the 18th inst., after an illness of ten days. The deceased was a young man of exemplary habits, honorable, conscientious and counted his friends among all the people who knew him. He was 22 years of age, and the youngest son of Mr. and Mrs. E. C. Arthur. He was a native of Cedar county, Missouri, and came to Lake county with his parents in 1886. He leaves to mourn his death an aged father and mother who are bowed down with grief and sorrow at the sudden taking off of their youngest son; also four brothers, Gilbert, Sim, William and Charles, and two sisters, Mrs. Sidney Bolton, and Annie Arthur who was his twin sister. The funeral was held last Monday at 1 p. m. from the family residence, on the West Side, and the interment took place at Cottonwood cemetery.

The Examiner extends its heartfelt sympathy to the sorrowing relatives.

Visitors From Massachusetts.

Luman Fosket, administrator of the estate of John De Garmo, deceased, has been in Lakeview for a week past on business connected with the estate. Mr. Fosket was accompanied by Harry R. Pratt of Worcester, Massachusetts, who is visiting Lake county. About three weeks ago Mr. Pratt, in company with Daniel Fosket of Worcester, arrived in Warner. Mr. Fosket is the father of Dwight, Luman, Frank and Sumner Fosket of South Warner, and is paying his sons a visit. Mr. Fosket is an enthusiastic sportsman and is just now enjoying himself with gun and dog on the marshes and creeks of South Warner. Mr. Pratt is a railroad clerk in Worcester. They will remain here a few weeks longer before starting for the B. State.

Robt. T. Bell Attorney.

Robt. T. Bell is the name of a young attorney who arrived last week from Portland to take up his residence and practice his profession in Lakeview. He has associated himself with Col. C. A. Cogswell, and the firm name is Cogswell & Bell. The latter will look after the firm's interests in Lake county. Mr. Bell will have his office for the present at the Bank of Lakeview. The press of the state, the Oregonian included, speaks highly of Mr. Bell's ability both as an attorney and a public speaker. He is a pleasant, affable gentleman, and will doubtless make a success of his profession. The card of Cogswell & Bell appears in this issue.

THE EVIDENCE

The best evidence of the superiority of this store as a place to do your buying is the fact that our many customers are satisfied, and their number is increasing all the time. * * *

We buy our goods in large quantities and can afford to make you better prices than small dealers. Fall and winter goods constantly arriving and our stock is now complete. * * *
