

DAVIS CREEK WINS TROPHY

Splendid Exhibition of Baseball on Local Diamond--State Liners Surprise Their Friends.

One of the best exhibitions of baseball ever witnessed in this county was given on the Lakeview diamond last Sunday. The opposing teams were from New Pine Creek and Davis Creek, and the trophy was a complete baseball outfit—uniforms and general baseball paraphernalia put up by business men of Lakeview for the victorious team. Neither had the required number of men to fill the positions upon their arrival and several Lakeview players were mustered in. Warner Snider, Milton Sharp and Wm. Grob assisted Davis Creek, and Gus Schroder, the Silver Lake player, and Fent Smith of Lakeview did good work for the State Liners. The other players were: New Pine Creek—Vernon, Wade, Mulkey, Boyce, Amick, Easter and Smith. Davis Creek—Geo. McGrath, Farley Auble, "Bugs" Warner, K. Briles and Gibbins.

The game was really a surprise to those who witnessed it, and those who did, not wished that they had after learning of its merits. It was good ball from the time the game was called to the close, and was particularly devoid of wild throwing and infield errors. Each and every player did good work at their respective places, and it would be hard to figure out who made the star plays, there were so many of them. McGrath, in the box for Davis Creek, pitched excellent ball, as did Wade for the State Liners. The particularly brilliant plays were made by "Bugs" Warner in a one-hand pick-up, by which he threw a man out on first; Farley Auble for Davis Creek in his two splendid high fowl and running catches behind the bat, and Fent Smith in straight line fly catches and double plays.

At the close of the game the score stood New Pine Creek 1, Davis Creek 2. Though the State Line boys lost by a single run, they put up a game that they can well feel proud of. Both teams have excellent players. We hope to see them come to Lakeview again. Each member of the two teams is every inch a gentleman.

Probably Fatal Accident.

An unfortunate accident, which may terminate fatally, occurred at Willow Ranch last Thursday morning. Lute Lyon, son of B. R. Lyon, the Willow Ranch farmer, was going down the hill at the Willow Ranch hotel, with a load of lumber, when the brake gave way, causing the horses to run down the grade at breakneck speed. When near the foot of the hill the young man was thrown from the wagon and the wheels passed over his chest and left leg. Three ribs were broken on the left side and the broken bones penetrate left lung, lacerating that organ badly. Severe hemorrhages followed. The left leg was also broken above the ankle. Dr. E. H. Smith of Lakeview was called to attend the injured man and the physician says the patient is in a serious condition, though there is a chance for his life. The latest reports from Willow Ranch was to the effect that he was resting easily last Sunday evening.

Prof. Dahn's Concert.

The concert given by Prof. Dahn, assisted by local talent, on the evening of the 23rd inst. was a complete success from a musical point of view, and the receipts amounted to about forty dollars. The program consisted of brass band and orchestra selections, corset and violin solos, and vocal selections by Mrs. Walter Dyer. Mrs. Dyer sings in a sweet and well modulated mezzo-soprano, and was heartily endorsed. Her singing of the "Whisperwill," waltz song, and the "Maid of Dundee," as an encore was the hit of the evening, and one who was an attentive and charmed listener, says the lady would have been singing still if the audience could have had its way. Mrs. Dyer is no stranger to the stage, having at one time traveled with a famous company in the East. As a whole the concert was meritorious.

Horse Contracts Cancelled.

Joe Burrus and W. Z. Moss, who have been buying horses in this section for George H. Bayley, the contractor for both the American and English governments, received telegrams yesterday from Mr. Bayley that all his contracts not filled had been cancelled. Messrs. Burrus and Moss each have a number of fine horses now broken and ready for delivery to Mr. Bayley, but they will not be delivered to him.

Jim Green and Alex Fitzpatrick, who have been riding for the XL firm in the vicinity of Steele Swamp, were visitors here Saturday night and Sunday.

Athletic Club Reorganization.

Several young men about town are making a move toward the reorganization of the Lakeview Athletic Club. A meeting will be held at Barry's Hall next Sunday at 2 p. m. for that purpose, and all who take an interest in such matters are requested to be present. It is the intention of the management, when the club gets fairly under way, to arrange to pull off some first class glove contests and to put new life into the organization.

Wants Telephone Built to Prineville.

The Crook County Journal notices the fact that a telephone system is being established between Lakeview and Silver Lake "which will be a great accommodation to the settlers of that part of the state," and remarks that if the line should continue on to Prineville it would be a still greater blessing. There is no good reason why the enterprising citizens of Prineville should not follow the example of Lakeview citizens and form a joint stock company to continue the line to Crook's shire town.
