... C. U. SNIDER ...

The winter season has arrived. Sam and Jim Dicks were in Lakeview Friday.

There are seven surviving ex-Mayors of New York.

Geo. F. Maupin of Warner was a Lakeview visitor Friday.

British iron and steel works use 36,000,000 tons of coal every year.

The Missouri apple is arriving in St. Louis at the rate of 40,000 barrels a day.

For the Viavi Treatment, apply to Mrs. W. D. Woodcock, Lakeview, Oregon. 47-1f

A new immigration law in Italy confines departures to Naples, Genoa and Palermo.

Beware of unscrupulous dealers who refill Josse Moore bottles with inferior goods.

It is said that \$9,000,000 will be needed for the repair of our warships during the next fiscal year.

Chas. Reynolds and wife of New Pine Creek have gone to Southern California to spend the winter.

The Lord Mayor of London's fund for the national memorial to Queen Victoria amounts to £156,200.

Post & King have a new nickel-in-the-slot picture machine that seems to be attracting considerable attention.

Those whose wood was not under cover during the last storm will likely have wet wood the rest of the winter.

You can't get a better hair cut in the city than the cut Frank D. Smith will give you at his tonsorial parlor. He also has a sure dandruff cure. 42-1f

In France they have invented a surgical sewing machine which will mend rents in human skin at a rapid rate.

This season the Maine woods have yielded an albino moose, three or four albino deer and two purple albino squirrels.

Silk is the strongest of all vegetable or animal threads. It is three times as strong as a flaxen thread of the same size.

Boston has about 1800 persons "engaged in medicine," including dentists, veterinary surgeons, chiropodists and the like.

In connection with golf and its expensiveness it is interesting to note that Chicago has invested in grounds close to \$1,000,000.

A Chinese manuscript in the Paris Library proves that anaesthetics for surgical purposes were used in China 1700 years ago.

There is 2800 acres of celery this year in the peatlands near Westminster, Cal., which, is estimated, will produce 1600 carloads.

If you would have an appetite like a bear and a relish for your meals take Chamberlain's Stomach and Liver Tablets. They correct disorders of the stomach and regulate the liver and bowels. Price 25c. Samples free, at Lee Beall's drug store.

The largest bird of prey in the Old World is the lammergeier, or bearded vulture, which has a wing expanse of nine to ten feet.

A French farmer had made experiments which show that caterpillars avoid black objects, but are attracted in numbers by white.

Macedonia has a population of about 4,000,000. Three-fourths are Christians and one-fourth Turks. Nearly half are of Bulgarian ancestry.

It is stated that during the last year 420 tons of cigarettes were exported from Algeria, and there promises to be a largely increasing trade.

Every original package of Jesse Moore Whiskey is guaranteed absolutely pure by Josse Moore Hunt Co.

Manila is to have a new city hospital under the direction of Major Maus, Public Health Commissioner. It will have accommodations for 100 patients.

During a recent drought the City Council of Mexico, Mo., reduced the saloon license from \$1600 to \$1200. Now there is talk of increasing it again.

The street committee of the city council have had boards distributed along the sidewalks that need repairing, and the many bad places that have been a source of annoyance will be a thing of the past.

Those fine toilet cases in ebony and silver mountings are beautiful and substantial at Beall's. Nothing to equal them in Lakeview. 48-2

John Blair captain of the fumigating station at Drews Gap, had to come to town for medical aid last week, having contracted a severe cold. J. A. Anderson attends to the smoking of every traveler during John's absence.

Lakeview Encampment No. 18, I. O. O. F., elected the following officers at its meeting last Thursday night: C. P. W. S. Blair, H. P., S. F. Ahlstrom, S. W., A. H. Hammerley, Scribe, W. J. Moore, Treas., G. Schlagel, J. W., H. Schminck.

Fred Foster, the Summer Lake stockman is going to try the artesian well experiment in his valley. He has purchased the machine owned by D. H. Hartzog and if he is successful, no doubt many more will be boared in Northern Lake county.

Oyster cocktails, fresh, temperate and delicious, just received at Post & King's. This beverage is very refreshing, is good for the stomach and builds up the system. If your appetite is failing try an oyster cocktail; it is always palatable and gives an appetite for other foods. Physicians recommend it, and Post & King always have it fresh and pure, put up by the best manufacturers in the city. 45-1f

Letters or communications intended for this paper should be addressed to The Lake County Examiner, and not to any individual member of the firm. Some matter of importance intended for publication might be overlooked if this rule is not adhered to.

M. Tessipoff, a Russian naval surgeon attached to the Baltic sea fleet, has been experimenting with an apparatus for taking photographs of the sea floor at any depth, and, it is reported, with such success that reliable records of submarine life may be reckoned among our available sources of biological knowledge.

Matt Riggs has returned from a visit to Lake county, says the Burns News. Recently Matt was accidentally struck in the right eye by a piece of barbed wire, from which he has suffered much pain.

Jim McShane came in from his sheep camp Thursday. Jim evidently wanted to learn more about the sheep business, anyway it is known that he had difficulty in riding the goat at a local lodge that night.

At a meeting of the Woodman Lodge two weeks ago last night, the following officers were elected for a six months term commencing Jan. 1st, 1902: Council Commander, Loren Bailey, Adv. Lient., Thos. Hastings, Clerk, E. N. Jaquish, Banker, H. R. Dunlap, Manager, S. R. Sublett, Watchman, R. T. Striplin, Secretary, T. E. Bernard.

From the numerous transfers of lands to the McCloud River Lumber Co., says the Yreka Journal, it is probable that the reported sale of the railroad and lumber mill to an Eastern syndicate for three millions, is a reality. If so, it is likely the railroad will be extended further on to Fall river in the northern part of Shasta county, and into Modoc county and Southern Oregon.

Hon. Henry Gilfry, of Lane county who is so well-known throughout Oregon, and who has been principal reading clerk of the United States Senate since 1876, returned from Europe last week, where he has been with his family for the last six months. He left his family at Nice and they will spend the winter on the French Riviera. Mr. Gilfry began his labors at Washington last Monday.

Mr. and Mrs. Jas. Foster came down from their Summer Lake ranch last Thursday on a short visit to their daughters, Mrs. Robt. Hartin and Mrs. D. C. Schminck. Mrs. Foster departed for Medford to visit another daughter, Mrs. Klippel, and from there went to St. Louis, Mo., where the son, Andrew, lives, who will accompany his mother to New York on a visit with her sister, Mrs. Lorena S. White, for the winter.

The latest New Zealand papers record that an old Maori was sentenced to twelve months' imprisonment for "practicing pretended witchcraft." The Judge, in passing sentence, said that such practices must be put down with an iron hand. It was the only way that the baneful influence of the so-called "Tohungas" upon the minds of the natives could be counteracted.
