THE OFFICIAL PAPER.

The Lake County Examiner filed a list of bonafide subscribers in Lake county, last Monday, which was duly sworn to and presented to the County Court. The Examiner list showed 627 subscribers in Lake county, and as no other list was presented The Examiner was again designated the County Official Paper. Outside of Lake county The Examiner has 420 subscribers making a total circulation of 1,047, not counting exchanges. The Examiner's circulation in Lake county alone is greater by about 150 than the entire circulation of the average country newspaper. The publishers feel a pardonable pride in The Examiner's biggest of subscribers, which is still growing. There is still room on our books for hundreds more.

Narrow Escape.

While on their way to Summer Lake last Thursday Tom Sherlock and Mrs. W. A. Sherlock met with an accident that came near being fatal. When near the S. P. Moss place in Chewaucan the animal Mr. Sherlock was driving became unmanageable and kicked the buggy to pieces. The occupants were thrown out, and Mr. Sherlock sustained a fracture of two ribs. Mrs. Sherlock was more fortunate as the fall only gave her a severe shock. She struck upon a large rock on the roadside, but escaped injury. At last accounts the maddened animal had not been captured.

Card of Thanks.

The sadness and bereavement of our lives during the past ten days, we gratefully acknowledge, has been greatly assuaged by the kindness of good friends who generously came to our assistance in time of trouble. To those who kept the night vigils by the side of our beloved son Walter Brown, and to all who endeavored to make our grief less hard to bear, we return sincere and heartfelt thanks. These friendships shall never be forgotten.

J. W. AND LULU BROWN.

Card of Thanks.

The relatives of the late Fred Snelling request The Examiner to return their sincere thanks to the many kind friends who assisted them in their sad bereavement occasioned by the tragic death of Fred Snelling. To those who expressed their sympathy by acts of friendship and humanity we bow in grateful thanks.

DELIA AND V. L. SNELLING.

To Town Subscribers.

The Examiner has a new carrier on the town delivery, who may, for a time, overlook some of our subscribers. Any subscriber on the delivery route not getting his or her paper will confer a favor by notifying this office at once.
