A Deep Myssevy.

It is a mystery why women endure backache. He states, "Not only does backache, rheumatism, neuralgia, and dizzy spells which thousands have proved the Electric Batters will quickly cure such troubles." "I suffered for years with neuralgia, backache, and a lame back, and as I could not do any work, but Electric Batters wholly cured me, and, although 74 years old, I can now do all my housework." "I experienced constipation, improves appetite, gives perfect health. Only 50c a box. See dealer's drug store."

Equal to Every Occasion.

A story is told of a week-end in Knappton which stayed out late one night and of breakfast the next morning his good wife had to demand an explanation.

"Where were you last night?" she asked in a before breakfast tone of voice.

"We had a special meeting" of the lodge, Huldah's "Aye var day, yo bat your boots."

"What did you do at the lodge?"

"Just stery thing for to gite to order."

"Last night you were talking in your sleep, and you said something about 2 cent limit. What did you mean?"

"O das var nodder feller's fault. Hae var takin' 'bout raisin' te assessment an' 'das mek me hot."

"And you said you 'was in.' What did you mean?"

"Well, et mont dot Aye var member an' 'haf youst so notch to say as any body."

"When you said 'I'll open it,' what did you mean?"

"Some feller could not get onto the door. Aye tank. Yee see, deat vile, et is look all tem."

"Once or twice I heard your say, 'It's a check down.' What does that mean?"

"Hilda, Aye hit no right to tal you tem outside of te lodge, but Aye vill tal you: Pas means in lodge language, 'God bless your home'."

TO CURE A COLD IN ONE DAY. Take Laxative-Bromo-Quinine Tablets. All druggists sell the genuine. It is safe for children. E. W. Groves, manufacturer. 25c a box. 50c a box.

Remarkable Memory. There died a few days ago an inmate of a Saratoga county institution, a resident of Waterford, who was possessed of a remarkable memory. He did not attend school while in his youth, but was possessed of intelligence which was deep and far-reaching. One of his peculiarities was the exactness with which he could tell the time of day. He never carried a watch, could not tell the figures on the dial of the town clock, yet if one asked: "Ed, what time is it?" the reply would be as correct as the time denoted on the most costly and correct chronometer. He was also exact in his geographical computations, and could bound every state in the union and every county in New York state and give the population thereof. He was a strict grammarian, yet he could not read, and as an arithmetician and lightning calculator he was not to be equaled in his native birthplace. He had an aversion to civility of any kind, and had prevented many Waterford boys from injury.—Troy Press.

It Girdles the Globe. The fame of Bucklen's Arnica Salve, as the best in the world, extends around the earth. It's the one perfect healer of Cuts, Corns, Burns, Bruises, Sores, Scalds, Boils, Ulcers, Felons, Aches, Pains and all Skin Eruptions. Only infallible Pile cure. 25 cents a box at Lee Bead's, druggist.

E. W. Groves. This signature is on every box of the genuine Laxative-Bromo-Quinine Tablets. The remedy that cures a cold in one day.

That Gold Spoon.

There are some men who seem to be favorites of fortune. They are industrious, cheerful workers, full of overflowing energy of an inviolable health, and success seems facile to drop into their hands. It is of such as these that the less hardy and less successful man says enviously, "That fellow was born with a gold spoon in his mouth."

And yet on analysis it will be found that this success is largely due to splendid health, the endowment of a healthy mother. Dr. Pierce's Favorite Prescription gives the mother health to give her child. It cures nervousness, nausea and sleeplessness. It makes the body comfortable and the mind content. It gives physical vigor and muscular elasticity so that the baby's advent is practically painless.

"I will endeavor to tell you of the many benefits I have derived from taking Dr. Pierce's Favorite Prescription," writes Mrs. H. E. Robertson of Medicine Lodge, Barber Co., Kans. "In the fall of 1898 I was expecting to become a mother and suffered terribly with pains in the back of head, it fast lashed all over. Suffered with awful beating-down pains. I was threatened for weeks with miscarriage. A lady friend told me to use Dr. Pierce's medicine. She had taken three and felt like a new woman. I began using the Favorite Prescription and took four bottles before my baby came and two after wards. I suffered almost death with my other two children, but hardly realized that I was suffering, but my baby and she weighed 12 lbs. and my other two were 10 lbs. each. I know all the good things that I have derived from Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. It is a safe and reliable medicine for women. It is a safe and reliable medicine for delicate children."
