Accidentally Shot His Sister.

Roy Stanley, aged 8 years, while
handling a 22-calibre rifle last Tuesday
morning, came near causing a tragedy.
He is the son of Mr. and Mrs. Frank
Stanley, who live on the Tandy place,
in Goose Lake valley. The boy was
bent on going out hunting that morn-
ing, but was forbidden to do so by his
mother. However, without the knowl-
edge of his mother, he got out the
small rifle and while attempting to ex-
tract a cartridge the gun was accident-
ally discharged. The bullet struck his
sister Clara, aged 17, in the left hip.
Mrs. Stanley immediately placed the
wounded girl in a buggy that was stand-
ing at the door, and hurried with her
to Lakeview. Dr. Hall was called to at-
tend the case, and probed for the bullet
unsuccessfully. The physician says
that had the ball struck an inch higher
the wound would doubtless have proved
fatal. Mrs. Stanley's little baby Marie
was in line of the leaden missile, and
would probably have been killed had
her sister not been in front of her. Dr.
Hall anticipates no serious complica-
tions to follow as a result of the wound.
The boy Roy is said to be almost fran-
tic from grief over the accident, and will
likely be a more obedient boy in the
future.

Notice to Taxpayers.

Notice is hereby given that the Lake
county tax roll for 1901 is now in my
hands for collection, and that said taxes
will become delinquent on the first Mon-
day in April, 1902. Provided, however,
that one-half of said taxes be paid on or
before the first Monday in April, 1902,
and the remaining half on or before the
first Monday of October following, said
tax will not be declared delinquent.
But if the remaining one-half of such
tax be not paid on or before the first
Monday of October, then such remain-
ing half shall be delinquent, and, be-
sides the penalty, interest thereon shall
be charged and collected at the rate of
twelve per centum per annum from the
first Monday of April preceding, and
upon all delinquent taxes there shall be
collected from the taxpayers of such
taxes, for the benefit of the county, ten
per centum as a penalty.

Look Out For Scabby Sheep.

Lake County sheepmen and the lo-
cal stock inspector should watch for
these migratory bands of sheep that are
supposed to be on the way to California
through this county. The Prineville
Review says:

Two bands of sheep passed through
Prineville last Tuesday and attracted
considerable attention on account of the
rumor that scab was in the bands. Sev-
eral of our prominent sheepmen in-
spected them as they passed through
and a few were found that were infected.
These sheep have had the scab and were
supposed to be clear of it. They are a
lot of lambs and yearlings which were
bought near Bakeoven by a man named
McCulloch and are on their way to Cal-
ifornia. Some of our sheepmen near
here are taking considerable interest in
these sheep and well they might. Sev-
eral of our large flock owners around
here have spent considerable money and
time in keeping their flocks from catch-
ing the scab and they are liable to
catch it from these bands.
