"DRAGGED OUT AND SHOT."

"A man should be dragged out and shot when he has reached the age of 45 years. He is dead timber in the pathway of progress under modern industrial conditions. I suggest that a law be drafted and submitted to the Legislature for passage which shall provide that all persons be shot at the age of 45 years unless they can show that they have enough property saved up to keep them during the rest of their natural lives."

This was the way the serious question of an age limit for mechanics and laborers was put by one of the speakers at a meeting of the Chicago Federation of Labor recently. Some of the railroads and large manufacturing establishments now refuse to hire a man over 35 years old, and mechanics are discharged at the age of 45 years by these concerns because they are too old. Machinists, carpenters and men in other trades testified that a similar age limit was being enforced by various classes of employers.

"A man should be dragged out and shot when he has reached the age of 45 years."

The birth of George Washington was signalized in the United States Senate by a most disgraceful fist fight. The two senators from South Carolina, Tillman and McLaurin, were the offenders. Tillman made serious reflections upon the honor of his colleague during the latters absence from the chamber. McLaurin, was sent for, and arising, pale as ashes, when Tillman concluded his speech, he denounced the latter's statement as a "wilful, malicious, and deliberate lie." Tillman sprang at McLaurin like a vicious bulldog and before the Senators were separated McLaurin had received a hard blow on the head and Tillman had received several stiff scratches on the nose which brought blood. Both men are up before a Senate Committee which will pass upon the question of expulsion.

By a strict party vote, the U. S. Senate has passed the amended Philippines tariff bill, which requires the payment on goods from the islands entering the United States of 75 per cent of the Dingley tariff rates, instead of full rates as when the House passed the bill. Upon the motion to make the rate of duty 50 per cent, the Oregon Senators divided, Senator Mitchell voting in favor and Senator Simon against the further reduction.

ROMEO AND JULIET.

Two hairs they were that upward grew,
Neglected and alone,
To wave above a shining pate
Where forests once had grown.

Two orphan hairs that tried to live
Upon the expanse pale
In brother love and happiness—
And by them hangs a tale:

For one fly loved another fly
E'er since they first had met;
The first fly's name was Romeo;
The second, Juliet.

"If thou will be my cherished bride,"
Wrote little Romeo,
"Meet me at the toboggan slide,
up where the two hairs grow."

* * *

The hour grew late. She did not come.
Alas, poor Romeo!
She'd slipped while climbing that bald pate,
But how was he to know?

So when she reached the trysting place,
The corpse of Romeo,
All dangling from the somber hair,
Swung slowly to and fro!

She shrieked. Then from her slender waist
A spider rope she drew;
And from the other hair eftsoon
Poor Julie dangled, too!

The Portland Dispatch announced sometime ago that Mr. Mitchell and Miss Harvey Scott were married. After the next session of the Oregon Legislature divorce proceedings will likely come up, and the bride will be allowed to resume her maiden name on the grounds of failure to provide and infidelity.

Col. Cox of the firm of Cox & Clark, millionaire cattlemen of California and Oregon, is highly spoken of as the Democratic nominee for Governor of the State next fall. Col. Cox is a sound man in every way and his ability and the

A Printer Greatly Surprised.

"I never was so much surprised in my life as I was with the results of using Chamberlain's Pain Balm," says Henry T. Cook, pressman of the Asheville (N. C.) Gazette. "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so bought a bottle of it and before using two thirds of it my rheumatism had taken its flight and I have not had a rheumatic pain since." Sold by Lee Beall, druggist.

SILENCE!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of *free* consultation by letter. All correspondence is held as strictly private and sacredly confidential. Address Doctor R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

"Having used Dr Pierce's Favorite Prescription and 'Golden Medical Discovery' during the past year," writes Mrs. Mattie Long, of Plum Valley, Perry Co., Pa., "I can truthfully recommend these medicines for all female weaknesses. I have used several bottles of 'Favorite Prescription' which I consider a great blessing to weak women. I was so nervous and discouraged that I hardly knew what to do. Your 'Medical Advice for home treatment helped me wonderfully. Thanks to Dr. Pierce."

Biliousness is cured by the use of Dr. Pierce's Pleasant Pellets.
