

CHANCE FOR THE LOCAL YOUTH JIM WILLIAMS

Will Accept Challenge of George Dimmick, Eighty Year Old Lad of Salt Lake City.

About six weeks ago the Police Gazette published a challenge from George Dimmick, an 80-year old youth of Salt Lake, Utah, to out talk, out sing, out run, out walk, any 80-year old Christian in the world. This deft fell under the glance of Whorton & Smith, of the Palace Club Rooms, Lakeview, who at once accepted the challenge of the gay and festive youth from Salt Lake, in the following language found in the Police Gazette, a copy of which has reached our table:

We hereby accept the challenge of George Dimmick, of Salt Lake City, Utah, published in the Gazette three weeks ago "to any Christian in the United States, or the British kingdom, to run, walk, sing or talk for two hours.

We accept this challenge in behalf of Jim Williams, of Lakeview, Oregon, (as his backers), and would like to make a bet of \$2,500. We will put our man against George Dimmick, or any other eighty-year old man this side of the Rocky Mountains, to sing, dance, walk, jump, box, wrestle, or lift, Jim Williams is eighty years old next June, stands six feet three inches, weighs 216 pounds and is the "slickest onion" that ever made love to a pretty girl. We agree to meet Uncle Dimmick half way, and if he has money to do business with he can easily get a call. Very truly,

Whorton & Smith.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at Lee Beall's drug store.

Arid Land Reclamation.

The State Land Board has reached a final decision in regard to the form of contract that will be made with irrigation companies for the reclamation of arid lands. In brief, the board has decided that it will give an applicant a contract for the reclamation of arid land at a price to be estimated by a civil engineer appointed by the State Land Board. This price will be the amount due the reclamation company, and the amount for which the company will have a lien upon the land. The state engineer will also fix the rate the company may charge per year for use of water by settlers upon reclaimed land.

Applications to reclaim more than 250,000 acres of arid land are now on file in the State Land Office, most of it being in the Deschutes Valley.

Strikes A Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak run-down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction Guaranteed by Lee Beall.

The two Boer representatives, Messrs Wolmarans and Wessels, accompanied by Dr. Fredrick Mueller of the Orange Free State called at the White House on the 5th inst. as citizens and not in their official capacity as Boer representatives. President Roosevelt listened attentively to what they had to say and then informed them that this government cannot and will not interfere in the struggle.

Anthrax in Klamath County.

Governor Geer this week received a letter from Albert Walker, a prominent stockman of Bly, Klamath county, saying that many cattle have died in Fort Klamath of Anthrax, that some of the infected bands of cattle were bought and brought into the Bly neighborhood to winter and some died with the disease there, says the Ashland Tidings. Some of the stockmen in that section call the disease blackleg, and Mr. Walker asks that the matter be investigated. Governor Geer has referred the matter to the state Veterinarian for investigation. Mr. Walker's letter was accompanied by one from Col C. A. Cogswell, who urged action for the protection of Southern Oregon cattlemen.

"I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit.
