LOCAL FORECAST OF EVENTS IN THE POLITICAL ARENA

The Men Talked About For County Offices in Lake County.

Since last week's issue of The Examiner it has been announced that H. Manning is not seeking County Clerkship honors on the Democratic ticket, but would not object to the nomination for Sheriff. Other names mentioned on the Democratic slate are J. N. Given and T. B. Wakefield for Sheriff. It is understood that Wm. Gunther, Republican, would like to serve a second term as County Clerk and H. R. Dunlap would not object to a second nomination for Sheriff. Charles Tonningsen, present County Judge, will be a candidate for the Republican nomination to succeed himself, and J. M. Martin, present County Commissioner from Silver Lake, will ask for a second nomination to that position from his party. It is also said that B. Daly has been importuned by his friends to accept the Democratic nomination for County Judge, and that he has repeatedly said that he would not enter the contest. However, it may be "forced upon him." This is the only forecast that can be made at this time. If there are other aspirants for political honors they are keeping very quiet.

THE LAW ON THE SUBJECT.

The County Court at their last sitting recorded their findings of fact to the effect that the Court is "satisfied" that extra help is necessary in the Clerk's office during the registration of electors, and that such extra services are worth \$50 per month. The court further finds that it is "fully advised as to the law in the premises." The aforesaid electors will soon have an opportunity to pass upon these findings of fact, and to determine whether or not it is just for the tax payers to pay this extra \$50 per month in addition to the \$1800 per annum now received by the County Clerk.—Lakeview Rustler.

Thus does the Rustler open the campaign and fire off the first gun of the season in local politics. The Examiner hopes that during the campaign its contemporary will "hew to the line" and not attempt to be unfair, whatever may be its grievances. The Rustler has on its editorial staff at least one lawyer who should be familiar with the Laws of Oregon, 1899, page 129, section 19, which says:

All electors residing in the town or incorporated city which is the county seat, and where the county clerk or the clerk of the county court has his office, shall personally appear in the clerk's office and comply with the provisions of this act, in order to register. THE BOARD OF COUNTY COMMISSIONERS SHALL FURNISH THE COUNTY CLERK OR CLERK OF THE COUNTY COURT ALL NECESSARY ASSISTANCE TO ENABLE HIM TO CARRY OUT THE PROVISIONS OF THIS ACT.

The law gives the court no discretionary power in this matter, but says the court SHALL furnish all necessary assistance.

Disolution of Co-Partnership.
