We learn that J. W. Howard the Silver Lake stockman, has bargained for quite a large bunch of cattle from J. C. Hotchkiss of Goose Lake; the cattle are from the lower marsh in this valley, says the Post. Mr. Howard will be here the 25th inst. to receive the stock and they will be branded at the Brattain ranch. Brattain and Howard will then drive their cattle to Sican together where they will be turned on the summer range.

"Pete" Follett—everybody knows him—says he came to the Republican County Convention to get the nomination for an important office, as he has been pulling at the hindmost protuberance, and yelling loud and lusty for the Republican party for lo! these many years. "Pete" got what he wanted, and will be the next road overseer of New Pine Creek section. He says there's nothing like having a pull when a fellow wants an office.

The wise man once remarked that "all whiskey is good, but some better than others." This is eminently true. Others may extol the virtues of their wet goods, but those who use the famous Kentucky Favorite, furnished only Post & King by the old reliable firm of Spruance, Stanley & Co., will use no other—no, never! 12-2

Some time ago it was announced that John H. Campbell, the former popular representative of Paul Friedman's liquor house, had taken a position with the Crown Distilleries Co., of which Fred Lehnert is a representative in this section. This is a mistake. Mr. Campbell is with the firm of Spruance, Stanley & Co., the well known liquor house of San Francisco, and his territory is the coast towns from Frisco to Eureka, and also the state of Nevada.

The "Palace" is as popular as ever. Whorton & Smith have a host of friends and their resort is a meeting place. The Palace has the reputation of dealing out the best in every thing. The Palace billiard room has the finest billiard and pool table in town. 2-tf

Citizens of Bly, Klamath county, are becoming interested in the proposed public highway mentioned a few weeks ago in The Examiner, to be built from Paisley to Bly. Mr. W. W. Finley, a prominent stockman of Sprague river is communicating with the business men of Paisley, asking their co-operation in the enterprise. It is understood that the citizens of Chewaucan will petition the County Court to order the road built, and make it a public highway. The distance to be covered is, we understand 30 miles.

BETTER THAN PILLS.

The question has been asked, "In what way are Chamberlain's Stomach & Liver Tablets superior to pills?" Our answer is: They are easier and more pleasant to take, more mild and gentle in effect and more reliable as they can always be depended upon. Then they cleanse and invigorate the stomach and leave the bowels in a natural condition, while pills are more harsh in effect and their use is often followed by constipation. For sale by Lee Beall, Druggist.
