

**LOCAL PICK-UPS.**

J. F. Clarkson, deputy stock inspector, arrived from Silver Lake Tuesday. Jim is kept busy now watching the numerous bands of sheep as they come off the desert.

J. J. Taylor, advance agent for Moore's company, arrived from Kiamath Falls Tuesday. The company will open a week's engagement in Lakeview next Thursday.

Mrs. Allie Harrow, a popular lady of Paisley, who has many warm friends in Lakeview, arrived Monday on a visit. Mrs. Harrow was the guest of Solace Circle, Women of Woodcraft, last evening.

Hudspeth & Cloud will receive in about ten days a full invoice of bicycle supplies. Everything for the trade. Watch for their grand bicycle opening, opposite Bailey & Massengill's store.

Dr. Demorest, the Lakeview dentist, was heard from in Neche, Dakota, a few days ago. He is on his way to Canada with his little son Herbert, and expects to return to Lakeview sometime next month.

Mr. Minkler, who at one time resided in this county, arrived from Los Angeles ten days ago and went on to Paisley to attend to some business. While there he sold his 120 acre place situated in Chewaucan valley to Wm. Dobkins.

Don't miss the laughable comedy "Capt. Racket" on Monday evening next, April 7, and "Smythe vs. Smith," the "Mock Trial" on Tuesday, the 8th. The leanest, sourest man in town will "laugh and grow fat" when he sees these funny things.

It is said that George Rhodes, our fellow townsman, is a nephew of Cecil Rhodes, the dead millionaire of South Africa. As a result of the death of the great diamond king it is understood that George will inherit a portion of the great estate, which is estimated to be worth a million pounds. If you see George wearing diamonds soon, you'll know where they came from.

The editor of The Examiner is in receipt of an invitation to attend the wedding in Oakland, Cal., on April 17th, 1902, of Mr. Ernest Chappell Bonner and Miss Grace Morgan, daughter of Mrs. Neil Kelsey French. Mr. Bonner is the district attorney of Modoc county, and the only son of J. C. Bonner, the Cedarville banker. The Examiner extends good wishes to Mr. Bonner, and his fair bride-to-be, for a very happy wedded life.

A. Y. Beach of The Examiner and F. B. Evans, representative of the Chewaucan Post, left on Monday's Western stage for Portland, where they will get aboard the excursion train bound for the Charleston Exposition. The excursion will be under the auspices of the Oregon Editorial Association, and the trip is to take up at least thirty days' time. All the sights of the Southern States are to be taken in, and those who go will be highly entertained. "Only the rich can enjoy the blessings of life," consequently Metzker of the Post and the "heavy end" of The Examiner will remain at home and "drill." However, we wish the lucky boys a most enjoyable trip.

S. L. McNaughton, the stage man and mail contractor, returned last Saturday from a trip over the route he is to take charge of on July 1st. from Ft. B. dwell to Terno. Mr. McNaughton was the successful bidder on this mail route, and is very well satisfied with his contract. The Examiner is sure that the people of that section will be equally as well satisfied with Mr. McNaughton. He is a gentleman and a square business man, and the Surprise Valley people are fortunate in having him there to carry on the stage business. He informs The Examiner that he was favorably impressed with the evidence of thrift throughout Surprise Valley, and that he has never seen as many neat and substantial farm houses and pretty farms as they have over there.

**TONGUE AND WILLIAMSON**

**Nominated For Congress by the Republicans of the First and Second Districts.**

Special to Examiner.

PORTLAND, Ore., April 1, 1902—At the Second Congressional District Convention held in Portland to day, J. N. Williamson of Crook county was nominated by acclamation for Congress over present Congressman Moody.

At Roseburg today, in the First Congressional District Convention, Thomas H. Tongue was nominated by acclamation to succeed himself.

**Lakeview Soda Works.**

The Lakeview Soda Works opened for the season last Monday, and Messrs. Hudspeth & Cloud are now turning out all the soft drinks known to the trade. This soda is pure and is said to be equal to any manufactured in the larger cities. It is a most refreshing drink during the summer months, and no family should be without a box of this famous soda in their cellar. More than a dozen different flavors of this soda are turned out by the firm. They are building up a fine trade not only in Lakeview, but in the towns of the county and throughout Modoc. Hudspeth & Cloud are deserving young men and The Examiner is glad to see them succeed. Besides a fine article of soda, they will keep a full line of Rambler Bicycles for which they are sole agents in Lake county. No other firm will handle the Rambler. They will also carry a complete line of bicycle extras. When you want a good wheel, write Hudspeth & Cloud, or call on them.

It will be seen by a notice from the Treasurer of Lake County, published in another column of this issue, that the cash is in the hands of the Treasurer for the redemption of all warrants issued prior to and including November 14, 1899. These are the first 6 per cent interest bearing warrants redeemable, and it will be seen that the county indebtedness only runs back now two years and four months. It does not look much like Lake County being in a very bad condition financially, and on the verge of bankruptcy, as some of the Democrats would have the taxpayers believe. This campaign thunder put out as a Daly vote-catcher will not fool the people who read. Another evidence that Lake County is all right financially is the fact that for the time since the county went into debt under a Democratic administration, Lake county warrants are now selling at par-dollar for dollar. Selah;

We understand that Gus Schroder has sent word to the Chairman of the Democratic county central committee that he would accept the nomination for sheriff. The Examiner regrets to see the young man sacrifice himself, at this time. Mr. Schroder is a splendid young man and is deserving of a better fate.

Sheriff H. R. Dunlap has personally paid the \$100 reward he offered for the arrest and conviction of the robber who rifled the mail between here and Paisley. Oglesby was sent up for the crime and M. R. Hart and Manly Whorton each received \$100 from the government and \$50 each from Sheriff Dunlap.

In the report of the Republican County Convention last week, The Examiner neglected to say that G. H. Aldridge was chosen central committee-man for Summer Lake precinct. Mr. Aldridge deserves this recognition as he was IT at the primaries in Summer Lake.

The telegraph flashed across the country the other day, "Cecil Rhodes is dead!" This is impossible. He is dead!

All Lake County warrants issued prior to and including November 14, 1899, are now redeemable at the office of the County Treasurer, and the necessary cash is on hand to take up these warrants. Notice is hereby given to the holders of such warrants, which bear 6 per cent. interest, that interest on same will cease after April 3, 1902. Present your warrants and get your cash.

LEE BEALL, Treasurer of Lake County.

A fine line of water stills at Hudspeth & Cloud's. Removes all impurities and makes the water pure and free from germs. You should use one this summer if you have any regard for the health of your family. None but distilled water is healthy in this country in the summer time. All physicians recommend the Puritan water still, carried by Hudspeth & Cloud.

John George was in from Thomas Creek last Saturday and had a good time with the boys while they were "harmonizing."

Hudspeth & Cloud, the local soda manufacturers, are the sole agents for the Rambler Bicycles in Lakeview, and will have a full line on in about ten days. You know what the Rambler is—there are none better.

Miss Jennie Maxwell has returned from Warner Lake where she taught a very successful term of school.

John Hammond came down from Paisley Monday.
