The wise man once remarked that "all whisky is good, but some better than others." This is eminently true. Others may extol the virtues of their wet goods, but those who use the famous Kentucky Favorite, furnished only Post & King by the old reliable firm of Spruance, Stanley & Co., will use no other—no, never! 12-2

General cleaning up time at the opening of spring. Many of our townspeople are clearing their premises of decayed shrubbery and debris accumulation of a year. All should attend to this part of necessary duty, as a general cleaning up of yards and lots will not only add to the good appearance of the town, but will make the town more healthful. It might be well to remind the citizens, also, that a can of chloride of lime as a disinfectant and purifier in closets and cellars, properly used, may be the means of avoiding much sickness during the summer months.

 Twelve years ago J. W. Sullivan, of Hartford Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. On the night of April 6th, when the good people of Paisley were worshipping at church, Withers' Brothers store at Paisley was broken into by a sneak thief who carried off several articles, principally tobacco and shoes. No arrests were made, as the local sleuths of the Chewaucan town are unable to fasten the crime on anybody. Robbery at Paisley is something uncommon, and the town is somewhat excited over the affair.
