#### "Entitled to Thanks."

Cedarville Record: The Lakeview Ex- When the sap begins to rise, aminer last week "did itself proud" so to speak, in coming to the assistance of Modoe county and relieving her citizens of the odium cast upon them by the metropolitan press, for which the When the horsemen advertise, Examiner is entitled to the sincere thanks of the people of this county. Very few people have taken the trouble, or lacked the desire, to protest against the gross indignities heaped upon Modoe and her people in regard to the lynching case; we congratulate the Examiner for its good work. Shake Lee

The Examiner appreciates the above from an esteemed contemporary, but \*loes not expect a vote of thanks from the public because it performed a simple duty in combatting a declaration made against the people generally of Modoc county by a prejudiced press. The lynching cases gave Modoc a bad name, one that it will take years to redeem, but all the people of Modoc should not be held responsible for the crime of a few hot-heads, who, however, were doubtless driven almost to desperation by the acts of a band of petty pilferers, for years.

E. M. BRATTAIN, Register.

At first it was thought to be a tragedy. A young couple of Lakeview were enjoying a buggy ride on the boulevard adown the valley on a bright and sunshiny Sunday two weeks ago, and were so failed to notice a team and driver coming toward them-until a collision of vehicles was almost eminent. The young man other he had a tight grip on the young lady's throat-that is her head was on his shoulder and-well, he was hugging her, the horrid fellow. The onlooker heard no scream, and as the teams passed he noticed that the lovers only looked embarrassed, and not desperate. It was a comical love scene and not a tragedy.

Dan McCarty, a popular commercial traveler, well known in Northern California, as a solicitor for the Adams-Booth Co., committed suicide at Sacrathrough the head. He was recently discharged from employment by the firm, and brooding over his misfortune is supposed to have been the cause. Parties heard the shot and burrying to the room, found deceased sitting upright with a cigar in his mouth, but life was extinct. The bullet entered his left temple, perforating his head and lodging in the wall of the room.

A company has been formed in Silver in the Silver Lake country. Jim Small's team was here last week and took several scrapers from the ZX pounds of wool now pledged us and upranch to be used in constructing the on the accumulation of 250,000 pounds reservoir.-Post.

Harry Wood, Ed Vandorn and Joe Page, young men of Cedarville were itive bidding getting better prices for fishing for trout in Lassen Creek, below wool than could possibly be gotten Willow Ranch, for several days recent- otherwise. We will make advances on ly. The gentlemen visited Lakeview woois up to 3-4 of its marked value, on the trip, and report indifferent success. It is yet too early by a few weeks for good sport in that stream. In the small streams near Lakeview, however, cisco, or sell to "one man" purchasers, fine strings of beautiful lake trout are and be at the mercy of a few speculataken almost daily.

J. N. Watson, Lake county wool grower and globe trotter, left for Summer Lake last Saturday morning. Mr. Watson smiles at the bright outlook for woolgrowers in the coming market.

#### WHEN IT'S SPRING.

When the wild goose northward flies, When the buzzard's in the skies, When we hear the robin's cries,

When the geese begin to nest, When the frogs wake from their rest, When the hens all do their best, When the schoolboy sheds his vest, Ane takes a bad cold in his chest,

Then it's Spring.

Then it's Spring. When the horse begins to shed, When the brood-sow makes her bed When the gobblers's neck turns red, When the candidates are bled,

And to the nearest bar are ted, Then it's Spring.

#### Good For Rhe umatism.

Last fall I was taken with a very severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescrip-tions and rheumatic cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this Remedy I was much better, and after using one bottle, was completely cured.
