

It is noticeable that the "glad hand" is extended pretty freely now.

A good one is held on one of our doctors. A few days ago he was called to the bedside of a patient. He pulled out his watch, felt the man's pulse, and began to count: "seven, eight, nine, ten, jack, queen, king—" The patient immediately burst out laughing and got well.

A clergyman in a town not a hundred miles distant was guilty of making the following unpardonable mistake the other day. He was called upon to conduct a funeral. At the close of his discourse he said: "The friends of the deceased will now be permitted to pass around the bier."

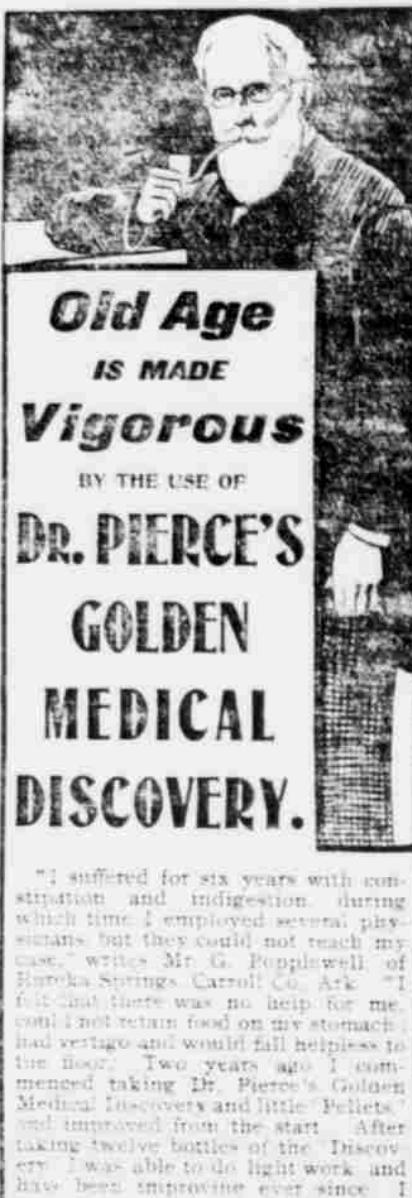

The Oregonian says: "It is not an auspicious time for professed Republicans of Multnomah County to be conniving with Democrats for Republican defeat." The Examiner might add that it is not an auspicious time for professed Republicans of Lake County to be conniving with Democrats for Republican defeat.

Eastern Oregon to the front! Portland lifts its hat and respectfully salutes eastern Oregon. Eastern Oregon has been clamoring for something for a long time; now it is satisfied! Governor, congressmen, state treasurer, and if it wants anything more extremital, it has to do is to ask for it—Portland Telegram.

Commissioner Herman, of the general Land Office, has made a ruling that Indians who have accepted allotted lands in severalty are citizens of the United States and are therefore entitled to the benefits of homestead laws. The fact that an Indian has received an allotment need not interfere with his making a homestead entry, if otherwise qualified.

Old Soldier's Experience.

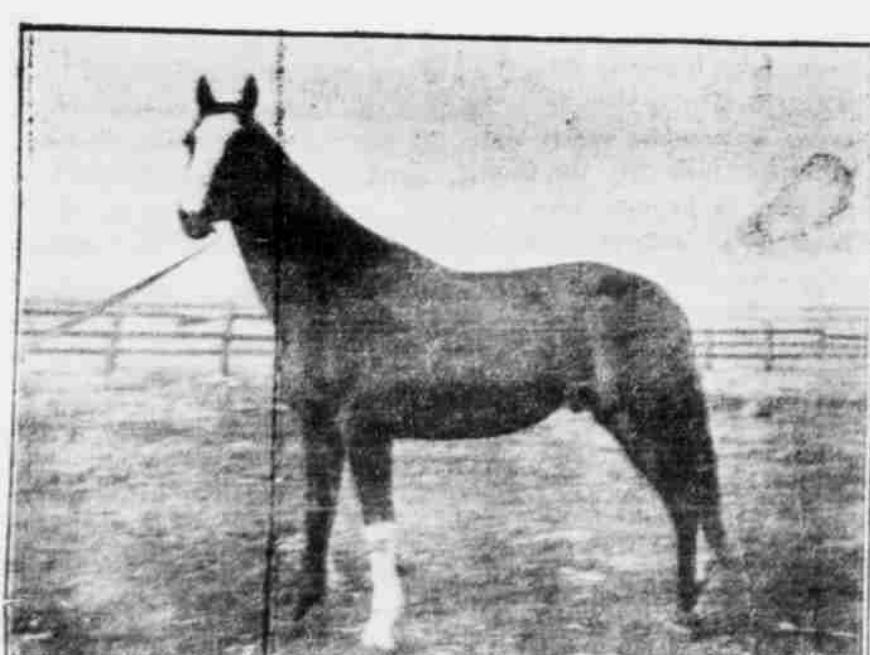

M. M. Austin, a civil war veteran, of Winchester, Ind., writes: "My wife was sick a long time in spite of good doctor's treatment, but was shortly cured by Dr. King's New Life Pill, which worked wonders for her health. I have always done the same thing for all Dr. King's patients."

"I suffered for six years with constipation and indigestion, during which time I employed several physicians but they could not reach my case," writes Mr. G. Pennington, of Burros Springs, Carroll Co., Ark. "I tried and there was no help for me, could not retain food on my stomach, had vertigo and would fall helpless to the floor. Two years ago I commenced taking Dr. Pierce's Golden Medical Discovery and little Pellets" and improved from the start. After taking twelve bottles of the Discovery was able to do light work and have been improving ever since. I am now in good health for one of my age—60 years. I owe it all to Doctor Pierce's medicines."

If a man is a republican he will desire to see the policy and purposes of the Republican party upheld. Mr. Chamberlain therefore mistakes when he imagines that Republicans will vote for him; for Mr. Chamberlain is a Democrat, and the election of Mr. Chamberlain would be an announcement to the country that Oregon had rejected the Republican party and the policy and purposes for which it stands.—Oregonian
