

LACONICS.

How! day!
County Court will convene next week.
The May Day picnic has been postponed.

April showers—make May flowers in
Whitworth was in town last week
making hands with a host of friends.

Thos. H. Nickols of San Rafael, Cal.,
is a guest at Hotel Lakeview Friday.
Charlie Arthur, the sheepman, was
from camp this week, and has the
appearance of one who wintered well.

Mr. and Mrs. Sim Arthur arrived
from the X L ranch at Abert Lake last
Monday on a few days' visit with relatives.

News comes from the north that the
vicinity of Paisley was shocked considerably Sunday and Monday by earthquake.

An adjourned term of the Circuit
Court of Lake county will begin on May
15th. The regular term will open on
May 19th.

Ladies, call and see that wonderful
"O K" Rotary Washer at Bernard &
son's. It will absolutely save one-half
the labor in washing, besides doing
perfect work. 17-2

A light fall of snow came on Tuesday
night and yesterday continued at intervals.
The fall appears to be heavy in the
mountains. It had the appearance
of a genuine winter storm.

J. T. Flook arrived from Rock Creek
last Monday. Mrs. Flook, who has
been under the care of her physician,
Dr. Steiner, for several weeks, will remain
here for some time longer, as she
has not entirely recovered from the
effects of a dangerous illness.

J. Mitchell Innes arrived from San
Francisco last Thursday and went to the
Innes ranch in Chewaucan on Saturday.
Mr. Innes spent the winter in the California
metropolis. His friends say he
is twenty years younger looking.

Charlie Harvey went to Alturas last
Sunday and returned Tuesday evening
with his father, Bud Harvey, who had
his leg broken near Alturas last week.
The injured man was brought home
on a bed, and is resting as easily as
could be expected.

Frank Hackinay was up from New
Pine Creek this week. Frank has been
very sick with lagrippe and looks badly.
His little son Earl was brought home
from Modoc county and is now improving
rapidly from the effects of a dangerous
attack of fever.

Another party of railroad (?) men, five
in number; all mounted on mules
and having two mules as pack horses,
stopped in town last Friday night on
the way north. We are inclined to think
they are sheep shearers going to Lake
county, Or.—Bieber Gazette.

Wm. Hartlerode of Paisley and Miss
Josie Mulkey, a charming young lady of
Davis Creek, were married at the home
of the bride at that place last week.
The newly married people will reside at
Paisley. The bride is said to be handsome
and attractive, and very popular
among her acquaintances.

Lost—In Lakeview, Monday, April
28th, two notes, each calling for \$250,
and a receipt for \$30; notes signed by
John McAdley and receipt by W. K.
Barry. The documents are of no value
to anyone but the signers, and the
finder is respectfully requested to leave
the same at The Examiner office.

Our esteemed contemporary down the
street need not feel alarmed. It will
learn on election day that there are
other candidates besides Dr. Daly who
ran for office in Lake county. Quite a
number on their ticket will doubtless be
in the "also ran" class with the
Doctor.

Asmus Tonningsen had a little experience
the other day that convinced him
that a man not used to the saddle is
"worse than a dumpling" to try to ride
a bucking broncho. Asmus went quite
a distance heavenward, but returned to
mother earth in due course of time,
quite sore after his long journey.

T. E. Bernard of the well known firm
of J. E. Bernard & Son expects soon to
make a trip throughout the county,
soliciting business for his firm. Their
standard lines of implements and wagons,
as well as their reputation for square
dealing will doubtless secure a large
share of business for them.

John B. Blair, Republican candidate
for re-election to the office of County
Assessor, arrived from the north last
week. Mr. Blair intends doing his duty
without fear or favor, and will insist
on the men who have large interests
paying their just proportions of taxes,
even though they combine to defeat him
for re-election.

E. Lake has an attractive bicycle sign
—a genuine bicycle painted in gaudy
colors. Passers-by cannot fail to notice
it suspended above the door. The sign
means that Mr. Lake is prepared to do
all bicycle repairing in a thorough manner,
and as this is the season when your
wheel should have a thorough overhauling
for the summer run you should take it to Lake's "stable" and have it
returned to you in proper shape. Lake is
an expert on wheel repairing.

John McCulley, one of the old guard
of Lake County, was in Lakeview last
Monday on business. John only comes
in occasionally, but when he does he
grasps many a friendly hand. While
here he purchased from W. K. Barry
the Pierce Combs place on Thomas Creek,
consisting of 160 acres and improvements.
He now owns one of the best
small ranches in the county, and the
place is easily worth \$1,500. Mr.
Barry only recently purchased the
place from Mr. Combs.

Supreme Court Reverses Itself.

County Clerk Gunther has received
notification from District Attorney
Reames to the effect that the Supreme
Court has reversed its former decision
regarding the payment of a district attorney
fee of \$10 in divorce cases, and
the fee is no longer required. The District
Attorney advises the County
Court to make an order to pay back the
\$10 fee collected upon each divorce case
since the passage of the District Attorney
act in 1899. The Court will not be
compelled to pay it back, however,
until application is made in the form of
a claim. The amount of money to be
paid back in Lake County will not exceed
\$60.

A Natural Curiosity

A gigantic specimen of the genus homo
was on Tuesday's south bound overland,
and while the train waited here
the young man was an object of much interest
to a crowd of men and boys. He
filled a seat and part of the aisle in the
smoking car. He was seven feet and ten
inches in height, weighed 490 pounds,
and is 21 years of age. He is said to have
been a wood chopper in British Columbia,
but has been beguiled to Yankee
land for the money there is in him as a
dime museum attraction.

Notice

There is now sufficient funds in the
Town Treasury to pay all outstanding
warrants which were protested on or
before Sept. 12, 1900. Interest on same
have ceased.

Town Treasurer.
