NOW IS THE TIME Seasons change. We can't change them. We can't prevent the coming of cold and damp airs.

But we can prevent the sore throats, the coughs, colds and lung troubles by taking Scott's Emulsion. Nothing does more to make the tender throat tough. Nothing gives such strength to weak lungs.

Don't take risks when it's easy to be safe. Now is the season for taking Scott's Emulsion in season.

We'll send you a little to try, if you like.

Good For Rheumatism.

Last fall I was taken with a very severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures, I decided to use Chamberlain's Pain Balm.

WOOL GROWERS, ATTENTION!

We have the very best facilities for handling, storing and marketing your wool. Just having completed a \$15,000 fire-proof brick building in this city conclusively proves that we are in the business to stay.

It has been proven, beyond the shadow of a doubt that, where large quantities of wool are offered, better prices are obtainable. This was demonstrated last season by the Baldwin Land and Cattle Company of Hay Creek, Oregon, and by other concerns in various sections.

We have three quarters of a million pounds of wool now pledged us and upon the accumulation of 250,000 pounds or more, we will have well advertised sales. This will bring purchases to this market who have never been in this field before, thereby through competitive bidding getting better prices for wool than could possibly be gotten otherwise.

Don't ship your wool to San Francisco, or sell to "one man" purchasers, and beat the mercy of a few speculators; but consign to us and let the wool be sold on its merits.

We especially invite the wool growers to an inspection of our plant. Give us a trial shipment and be convinced of our assertions.
