LAKEVIEW, OREGON, JUNE, 12 1902.

ROOSEVELT AT ARLINGTON.

President Roosevelt delivered a great speech at Arlington Cemetery on Memorial Day. He made the old Virginia hills echo with words of truth and patriotism. He defended, in thrilling tones, the soldier boys who fought on the islands and who are accused of cruelty. In rebuking fault-finders the President said:

The guilty are to be punished; but in punishing them, let those who sit at ease at home, who walk delicately and live in the soft places of the earth, remember also to do them common justice. Let not the effortless and the untempted rail overmuch at strong men who with blood and sweat face years of toil and days and nights of agony, and at need lay down their lives in remote tropic jungles to bring the light of civilization into the world's dark places. The warfare that has extended the boundaries of civilization at the expense of barbarism and savagery has been for centuries one of the most potent factors in the progress of humanity. Yet from its very nature it has always and everywhere been liable to dark abuses.

It behooves us to keep a vigilant watch to prevent these abuses and to punish those who commit them; but if because of them we flinch from finishing the task on which we have entered we show ourselves cravens and weaklings, unworthy of the sires from whose loins we sprang. There were abuses and to spare in the Civil War. Your false friends then called Grant a "butcher," and spoke of you who are listening to me as mercenaries, as "Lincoln's hirelings." Your open foes—as in the resolution passed by the Confederate Congress in October, 1862, accused you, at great length and with much particularity, of "contemptuous disregard of the usages of civilized war," of "subjecting women and children to "banishment, imprisonment and death;" of "murder," of "rapine," of "outrages on women," of "base cruelty," of "perpetrating atrocities which would be disgraceful to the savages," and Abraham Lincoln was singled out for especial attack because of his "spirited barbarous ferocity." Verily, these men who thus foully slander you have their sires today in those who traduce our armies in the Philippines, who fix their eyes on individual deeds of wrong so keenly that at last they become blind to the great work of peace and freedom that has already been accomplished.

In speaking of the future of the Philippines he said:
"The slowly learned and difficult art of self-government, an art which our people have taught themselves by the labor of a thousand years, cannot be crasped in a day by a people only just emerging from conditions of life which our ancestors left behind them in the dim years before history dawned. We believe that we can rapidly teach the people of the Philippine islands not only how to enjoy but how to make good use of their freedom, and with their growing knowledge their growth in self-government shall keep steady pace. When they have thus shown their capacity for real freedom by their power of self-government, then, and not till then will it be possible to decide whether they are to exist independently or be brought to us by ties of common friendship and interest. When that day will come it is not in human wisdom now to foretell. All that we can say with certainty is that it would be set back an immeasurable distance if we should yield to the counsels of unreasonably weakness and turn loose the bands, to see our victorious foes butcher with revolting cruelty our betrayed friends, and shed the blood of the most humane, the most enlightened, the most peaceful, the wisest and the best of their own number—for these are the classes who have already learned to clothe our rule."

He is Coming.

D. W. Thomas, the high class artist, will be in Lakeview soon. He comes highly recommended and will do his work right here at home. His specialty is crayon work, paintings, sepia's, pastels and medallions. Don't order your work done in Chicago, but have it done by Thomas, the artist, at home. Wait his coming. His work is all warranted.

The powder puff may help to hide the ravages of time but it avails little to hide the ravages of disease. When the face is disfigured by eruptions, the treatment must go below the surface to the blood, which is corrupt and impure.

Dr. Pierce's Golden Medical Discovery cures disfiguring eruptions which are caused by impure blood. It cures scrofulous sores, erysipelas, boils, pimples, eczema, salt-rheum and other eruptive diseases which impure blood breeds and feeds.

"I was troubled with eczema from the crown of my head to the soles of my feet," writes Mrs. Ella Quirk, of Cass City, Tuscola Co., Mich. "Could not walk at times nor wear my shoes. Thought there was no help for me—at least the doctor said there was none. I went to see friends at Christmas time and there I heard of the good that Dr. Pierce's Golden Medical Discovery had done for them, and was advised to try it at once. For fear that I might neglect it my friend sent to the village and got a bottle and made me promise that I would take it. I had been getting worse all the time. I took thirteen bottles of the Golden Medical Discovery and ten vials of Dr. Pierce's Pleasant Pellets, and used the All-Healing Salve, which made a complete cure. It was slow, but sure. I was taking the medicine about eight months.

"I would say to all who read this, try Dr. Pierce's Golden Medical Discovery before wasting time and money."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

Dr. Pierce's Pellets cleanse the clogged system from accumulated impurities.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y. "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds, Whooping Cough and Croup, and \$1.00 bottles guaranteed by Lee Beall, druggist. Trial bottles free.
