

LACONICS.

"Judge Ramsby of Merrill!" Well, now, that sounds big. And the name is quite familiar. Surely this must be "Doc" Ramsby, formerly of Lakeview. "The dignity of the court must be maintained." Shake, your Honor!

Arzner Bros. the local blacksmiths, have received new machinery for their shop. The machines are all labor saving and up-to-date. One very fine machine is an iron and steel cutter. They also have a foot-power emery wheel for polishing.

The Des Chutes Echo, a new aspirant to public favor, published at Bend, Crook county, is before us. It is a sprightly little weekly, A. C. Palmer publisher and B. F. Steffa editor. The Echo expects to hear the echo of the iron-horse whistle in the Des Chutes forest before many months.

It is said that Mrs. Craven, who claimed to be the wife of Senator Fair, and who settled the long-time litigation over the dead millionaire's estate with the children of deceased, for a consideration of \$50,000 cash, has received for the money and flown from San Francisco leaving her attorneys to mourn her loss.

Miss Bertha Melvin, a clerk in the Redding postoffice, is down with the smallpox, and the stamp clerk Thomas Reynolds, has the varioloid, or mild form of smallpox. The Redding office is in bad shape. On the 3d inst., near Redding, Cal., the Oregon Express ran into an open switch demolishing two engines and killing engineer Jim White and fireman Van Taseell. A flend, (or flends) were responsible for the tragedy. The penalty for train-wrecking ought to be made worse than death. There are worse punishments.

Manley Whorton returned from Tonopah last Friday. The climate there does not agree with him, and he came back to Lakeview to recuperate. Outside of the unhealthfulness of the place "Man" says Tonopah is a great town. It is rich, and money flows there like water. However, few people can stand the unsanitary conditions that prevail there, and the population is of the floating kind.

Governor Gage of California, who is a candidate for re-nomination, says he will commence libel suits, both criminal and civil against Spreckels and Leake of the San Francisco Call, M. H. DeYoung of the Chronicle, and Col. Otis of the Los Angeles Times, who mercilessly assailed him on charges of corruption at San Quentin prison.

NURSING MOTHERS

A mother's poor health is bad enough for the mother but worse still for the nursing baby.

Mothers find Scott's Emulsion a nourishing and strengthening food. If the breast milk is scanty or thin Scott's Emulsion will make it rich and more abundant.

When mothers take Scott's Emulsion the babies share in the benefits. Thin babies grow fat. Weak babies get strong.

We'll send you a little to try, if you like. SCOTT & BOWNE, 409 Pearl street, New York.
