

Desert Ranches Look Well. "Lone Pine," writing from Silver Lake to the Burns Times Herald, says that three ranches have been taken up on the desert with very flattering prospects. Everything planted on them this season is looking well. There is a fine cattle range close to these ranches. When it is positively known that the Eureka and Weiser railroad is a thing of life thousands of acres will be gobbled up by the Arid Land Company, and the man who is entitled to a home-stand, under the desert land act, will get left. I am satisfied that artesian water can be found by boring for it. Well water may be obtained in many places at no great depth, and by erecting windmills a supply necessary for all ordinary purposes may be had.

Don't Marry For Money. The Boston man, who lately married a sickly rich young woman, is happy now, for he got Dr. King's New Life Pills, which restored her to perfect health. Infallible for Jaundice, Biliousness, Malaria, Fever and Ague and all Liver and Stomach troubles. Gentle but effective. Only 25c at Lee Beall's drug store.

Reduced Rates To The East. Those contemplating an eastern trip will be interested to know that there will shortly be on sale greatly reduced rate tickets in connection with the Rio Grande System, the famous "Scenic Line of The World."

This line offers its passengers a most delightful and comfortable journey to all eastern points.

It is the only transcontinental line passing directly through quaint and picturesque Salt Lake City "The City of The Saints", beautiful Glenwood Springs Leadville, Pueblo, Colorado Springs, (where a side trip may be made to the Garden of the Gods and the summit of Pikes Peak over the cog wheel railroad), and Denver, the queen city of the intermountain region. Stop-overs are allowed on all classes of tickets.

Three daily express trains make close connections with all trains east and west and afford a choice of five distinct routes of travel. The equipment of these trains is the best, including free reclining chair cars, standard and tourist sleepers, a perfect dining car service, and also personally conducted excursion cars, each in charge of a competent guide, whose business is to look after the comfort of his guests. No more pleasant and inexpensive means of crossing the Continent can be found than is provided by these excursions.

For additional details, address: J. D. Mansfield, Gen'l. Ag't., Rio Grande Lines, 124 Third St., Portland, Oregon.

A Terrible Explosion. "Of a gasoline stove burned a lady here frightfully," writes N. E. Palmer, of Kirkman, Ia. "The best doctors couldn't heal the running sore that followed, but Bucklen's Arnica Salve entirely cured her." Infallible for Cuts, Corns, Sores, Boils, Bruises, Skin Diseases and Piles. 25c at Lee Beall's.

Stand aside, all ye politicians. WE did it with our little pen. Give us all the credit. We could not win the fight in Lake county for Chamberlain and the balance of the State ticket, couldn't beat Blair for Assessor, but we elected the county court, and Judge for constable. For God's sake give us money, subscribers, for we are "over \$100 behind and need money bad"—or good. "C me to our rescue." We must have money to enable us to pay up what debts we have contracted during the campaign. If it hadn't been for us everything would have gone to h—! We must have reward for the "campaign we have waged." "We have been receiving many compliments," but they don't pay our bills. Save us, or we perish!—Rustler.

If you knew that "Jesse Moore" Whiskey was the best and purest on earth you'd have no other. It is the best, but we cannot prove it except you try it. Try it.

Fred Ahlstrom, the old reliable harness and saddle maker, continues to turn out the finest of everything in his line. He has a stock that few towns of 5000 inhabitants can boast of. When you get it at Ahlstrom's you can bet it's good.

Headache

kills, not necessarily suddenly, but SURELY. It creeps upon the intellectual powers more than we realize. It consumes the vitality faster than nature can replenish it, and we cannot tell just what moment a temporary or complete aberration of the mind will result. Headache and pain should be promptly removed—but properly. Many pain cures are more harmful than the pain. Beware. If you would be safe, take

Dr. Miles' Pain Pills.

"As a result of neuralgia I lost the sight of my right eye, and the pain, I have suffered is inconceivable. I have been obliged to take opiates almost continually. A friend gave me one of Dr. Miles' Pain Pills and it promptly relieved me. I then purchased a box and now my trouble is gone. They have also cured my daughter of nervous headache, and I heartily recommend them to others."—W. J. CORLEY, Bremond, Texas.
