

**LACONICS.**

Dr. N. Dean Asdell returned from San Francisco on Monday to resume his practice in Demorest's dental parlors. Dr. Asdell's bride will come to Lakeview later on.

The Orpheum Pavilion shows have arrived and are delighting visitors to the big tent next to the Examiner office. Big special performance tomorrow. See big announcement in this issue.

Ladies should not overlook that good thing at Ahlstrom Bros.—the \$2.50 shoe extension sole and fair stitch. They are beauties—stylish and modern footwear.

The farmers of Lake county are putting a good deal of money into implements and vehicles this season, a fact that denotes prosperity. Ten years ago the old machinery and "rickety" wagon was good enough.

Commissioner J. M. Martin arrived from the north Monday to attend the final meeting of the old board of county commissioners. Mr. Martin says that he was defeated by one of the best men in Lake county.

"The sweetest story ever told" was related while under the pleasant influence of a Las Dos Naciones cigar. Lee Beall has them exclusively—as a leader. 24-3m

Klamath Falls will not celebrate tomorrow. The citizens of that town will save their money for the first county fair to be given in Klamath in October. Ashland will have a big barbecue and a grand mask carnival.

J. Cal Eubanks "set up a stick" of type in The Examiner office last week, just as a reminder of old times. Eighteen years ago Cal. was a compositor on the old State Line Herald in Lakeview, and has not forgotten the art.

Dick Wilcox has received a large invoice of pure fresh candies especially for his Fourth of July trade. Those pretty flags at Wilcox's are also something new—all sizes in pure silk. 25-2

The finest wool produced in any country is obtained from the sheep of Saxony, Silesia, and some parts of Austria. The finest fleeces of Silesian are so fine that twelve hairs of it will only equal one hair of a Leicester fleece, or three of a full-blood Merino.

Mr. H. A. Brattain of the firm of Brattain Bros. of Paisley, writes The Examiner that the statement made public through the local press to the effect that he and others had bought a band of sheep is not true. Mr. Brattain is still in the cattle business.

China Sam, the famous chef, has opened a neat restaurant in the Joe Howard building. Fine meals to order. Everything in the market. Open day and night. 26-1f

People who pretend to know say that the beef to be turned off this season in Lake county will rate probably a shade weaker in price than last Fall. One reason given for this is the fact that the California market will be well stocked with Arizona cattle.

Alturas has organized a protective association—a society that will have for its object the protection of fish and game. This is an excellent move, and a matter that should be taken up by the true sportsmen of Lake county. The state game laws do not appear to be effective.

Druggist Beall is reducing his stock of Toilet Soaps by reducing the prices on the article. He must have room for his new stock of Soaps and is making a laughing on prices. 19-2

The saw mills of Lake county are running on full time, and every stick turned out thus far has been ordered. There is a building boom on in Lakeview, and in other towns in the county. The Lakeview Planing Mills is turning out dressed lumber as fast as possible to meet the demand.

Tomorrow will be a quiet day in Lakeview. There will be no demonstration here in celebration of the Nation's birthday, lest it be the noise of the toy gun and firecracker in the hand of the small boy. A good many people will go to New Pine Creek to help the State Line people celebrate.

J. S. Dewey, Dentist, is here to remain an indefinite time. Office Hotel Lakeview, Room 12, upstairs. All work skillfully done, satisfaction guaranteed, prices reasonable. 24-1f

The Examiner, as well as the ladies of Lakeview, appears in a "new dress" this week. In other words the type you are reading is all new, direct from the foundry. The ladies of Lakeview are noted as good dressers, but The Examiner does not propose to be "behind" them in these "bustling" times.

"E. M. Brattain," the fine race horse formerly owned by our townsman, Register Brattain of the land office, last week won a 3/4 mile dash at Butte, Montana, from some of the fastest young horses in the West. "E. M. Brattain" is the son of the famous "Leora," a Lake county race mare with the world's record for 1/4 of a mile.

Woodcock & Son, blacksmiths and wagonmakers, Lakeview, are well prepared to do all work in their line on short notice, and will guarantee their work. Shop just north of Barry's livery stable. 16-1m

Frank Hironymous and Pearl Richardson came in from Warner Tuesday. Hironymous is one of the star ball players of the Cedarville team, and with his wife, is now living in Warner valley. Mrs. Hironymous (nee Hattie Penland) will meet her husband here to spend the week visiting friends.

Now, in the pleasant summer, with crop and stock prospects good, while Nature wears her sweetest smile, is the very best time to have your photo taken. Call at Mrs. Knox's studio. 26-1

A double tragedy occurred at Pearl, near Boise, Idaho, last Saturday. Wm. P. Kinsinger of Eugene, Or., shot and killed Mrs. Wm. Garner, and then killed himself. Pictures of the woman were found on the man. They were former lovers. Mrs. Garner was Ada Horn, and her parents reside at Pilot Rock, near Pendleton.

Come in your buggies and carts, on horseback, on a bicycle, or on foot—with your old clothes, or dressed up—look pleasant, or as you please, and have your photo taken at Mrs. Knox's studio.

Tracy, the escaped convict from the Oregon penitentiary, was "killed" by a policeman at New Whatcom, Washington, last Friday. "He had separated from Merrill several days before." On the same day, several hours after he was "killed," Tracy and Merrill were seen four miles west of Winlock, Washington, a considerable distance from where he was "killed."

Ladies, your attention is called to a fine line of patent leather footwear—shoes that will not crack—at Ahlstrom Bros. Every description of footwear for ladies. The latest styles and best make.

Joe Howard, the Silver Lake cattleman, last week brought to Sicán from Beaver creek, 600 head of the finest looking beef—mostly steers—that has ever been seen in Lake county. Mr. Howard has a reputation for getting and growing the finest beef in Eastern Oregon. He had some last Christmas beef in the 'Frisco market that astonished the cattle growers of the West.

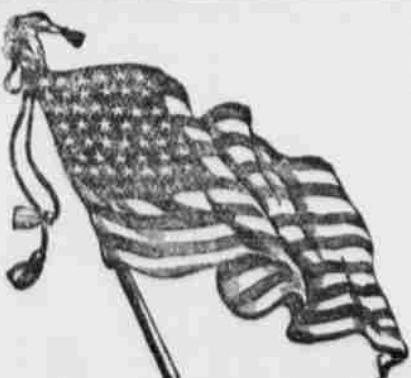

The Palace (George & Fent's place) is becoming the smokers' emporium. The excellent brands of cigars carried there are the "Belmont," the "Robert Mautell," and a new cigar made for the exclusive trade of the Palace, the "Key West Quartett." This is an extra fine article. 24-3m

Blotters absorb—if they're good. And that's what we desire you to do when you've read this—absorb it—retain it—keep it in your mind that Ahlstrom Bros. are selling all their hats at 20 per cent discount.
