At a church social in the east a small package was auctioned off to the highest bidder. It was labeled "Lady's skirt raiser" and occasioned live bidding. A bachelor is a bachelor, either because he has once been disappointed in love, is too bashful to mix up with the company of the opposite sex, or because he thinks he can "paddle his own canoe" better alone. Whichever it may be, there's something wrong with him, and he is the cause of many a pretty girl going through a big part of her life in a state of single blessedness. But, still, it does not keep the bachelor from saying mean things. One the other day in Lakeview said that it "takes an awful lot of faith to believe a woman is built like her clothes make her seem to be." The fellow has no soul, doesn't believe in art, and ought to be murdered. There isn't a woman in Lakeview but what wears dresses that are just moulded to her form. So there, now!

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors have pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J.
