We have the Lord Roseberry Cigars in all the popular sizes. Special prices by the box; for sale only at the Monogram.

The Prineville Review is now turned out to its readers by a cylinder press, similar to the one in The Examiner office. That is enterprise, Mr. Holder.

Mrs. Clara Stridling, the artist from New Pine Creek, was in Lakeview last Thursday. Mrs. Stridling is preparing to do an extensive photographing business.

New drugs, new and delightful perfumes, everything for the toilet—complete spring stock fresh and pure at Beall's drug store. 18-11

Mrs. James Moore of Paisley spent a few days in Lakeview last week, visiting her sister Mrs. F. D. Smith. Mrs. Smith returned to Paisley with her sister to remain two weeks.

L. F. Winkelman of The Oregon has just received a new mammoth hotel range. Mr. Winkelman is thinking of putting up a 16 room addition to his hotel, as he has scarcely room to accommodate his trade.

For a bilious attack take Chamberlain's Stomach and Liver Tablets and a quick cure is certain. For sale by Lee Beall, druggist.

Mr. and Mrs. Talbot, of New York, were arrivals at Hotel Lakeview last Thursday. "Milord" was showing Trade's fine hats to the trade for several days, and told the boys some Arkansas stories.

The Columbia Southern is rushing the survey of the extension from Shaniko to Bend. Already 50 miles of the course has been gone over and laid out, and a large crew of men are at work rushing the survey along as fast as possible.

Great forest fires in the mountains surrounding us fill the Goose Lake valley with a thick smoke. In the evening one can smell the burning timber. They say it's healthy, but at the same time thousands of acres of fine timber are being burned over. The damage can scarcely be estimated.

When you come to town drop in at Post & King's and see the pictures and hear the beautiful music. Elegant bar and superb goods. 18-11

This howl about sheep injuring the grazing lands is all nonsense, says Governor Richard of Wyoming. "I run both sheep and cattle ranges which have grazed sheep since 1892 and which now have grass on them ninety per cent better than those exclusively devoted to cattle. I am pasturing southern cattle on these ranges and they seem to be thriving better than on their own ranges. It is all a question of overcrowding the ranges."

W. P. Huff and daughter and Finley Huff and wife, arrived from Cottage Grove last week on a visit of ten days. Mr. Huff says he likes the Cottage Grove section, but "By Gosh!" there's a difference in the people, in favor of Lake County. He is glad to get back to see old-time friends and his friends are glad to see him. He is ranching at the edge of Cottage Grove.

We extend a cordial invitation to all of our friends and customers to try our Roseberry Havana cigars. Money back if not satisfactory. Ahlstrom Bros.

The City Meat Market, under the proprietorship of Lane & Wendell, is the best conducted market Lakeview has ever had. The meats kept in cold storage and handled by Mr. Wendell, who has experienced butcher, are sweet and juicy and made tender by age. Under his cold storage system the meats are killed two weeks in advance, and come out of the storage just like ice. They have now on hand 15 head of 2 year-olds, purchased from Columbus Lofftus. Each of these heaves are as fat as a butter ball.

A fine quality of whisky is like a fine quality of anything else. It costs a little more, but nothing is too good for us Americans. Insist on having "Jesse Moore" Whisky. Ask Jammertal

One day last week, while putting a new roof on George Jammertal's residence, a cleat broke and let Jim Handley, Clint Linebarger and John Cogburn, the workmen, slide down the roof. Handley saved himself at the very edge with the help of a friendly projecting nail. Linebarger and Cogburn rolled off on the side and fortunately caught on the scaffolding. After taking an inventory and finding no other damage than a fellow would feel from small splinters entering his anatomy, they had a good laugh, then repaired to The Retreat and took one.

Post & King have just received a big stock of everything first-class in the line of "wet goods." Their cellar is stored full of the best stock to be had on the coast. 20-11

"The weather has been so hot in this country," wails a Missouri paper, "that livery men have had to stand their horses in water an hour each day to keep their shoes from coming off and wagons go along with their tongues hanging out. The catfish kicks up such a dust in the bed of the Gasconade river that it has to be sprinkled before you can go fishing. A spark from an engine set the big railroad pond on fire and burned up a wagon load of bullfrogs. The ground is so hard and dry that the crawfish holes in the low places are being pulled up and shipped off for gas pipes."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors have pronounced it a local disease, and prescribed local remedies, and by constant failure to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
