It has a grinding capacity of 60 barrels daily and is the only Full Roller Water Power mill in the valley. It has four double stands of rolls almost new, and the water power is first class. This is a splendid bargain and a good chance for a good miller to make money.

Produces fruits, berries and vegetables of all kinds. Is one of the best and prettiest homes in the valley. I am getting too old to attend to the business. That is why I want to sell.
