United States Marshal Shine of San Francisco was in Redding last week subpoenaing witnesses in an alleged fraud against the Government. Two years ago, a woman giving her name as Mrs. Moon, claiming to be the widow of a soldier, asked a Redding attorney to make out her application for a pension. She was substantiated in her testimony by a man named Noah. It is now alleged that she attempted to defraud the pension department.

The Ashland Tidings says there is a great demand for residence places in that town, and begs capital to invest in the enterprise. The same condition exists here. If there were a few dozen neat cottages built in Lakeview every one of them would be rented by people who desire to live in town.

The Seattle Post Intelligence has this to say of "Toots" Somers, who pitched ball for Lakeview a year ago at Alturas: "Arthur Somers, the new pitcher, arrived yesterday morning. He is a tall, loose built youngster, something on the order of Jess Stovall. He has red hair and a bunch of freckles. Somers comes here on the recommendation of 'Kid' Hulen. The boy has no record," says Hulen. "I saw him work for two months down in Ashland, and I tell you he will do. He is a ball player and will make good." The "Kid" certainly delivers the goods himself, and anybody he recommends gets a hearty welcome in Seattle. Somers will likely get a chance against Helena, and if he can defeat that hard working bunch, he is good enough for this league."

Miss Grace J. Brewster, one of the most competent of the corps of nurses at the Salem Hospital, was called to Albany to nurse a diphtheria case, one day last week. She contracted the disease, and owing to the negligence of Dr. Ellis of Albany, who refused to attend her case, she died two days after taking the disease. This physician insisted on sending the sick nurse back to Salem in her awful condition and was only halted in his purpose by threats of prosecution. Dr. F. E. Smith, formerly of Lakeview, readily volunteered to go to the suffering young lady's assistance, but Miss Brewster choked to death before Dr. Smith could get to Albany from Salem. The physicians of Salem are very indignant over the willful neglect which the nurse was subjected to by Dr. Ellis. Threats of prosecution have been made.

There is whisky and whisky, but only one "Jesse Moore" Whisky—the kind doctors recommend for its purity and healthfulness. Jammerthal keeps it.
