PUBLIC AUCTION SALE

I will sell all my property at Lake City, consisting of one

Full Roller Process Flour Mill and Residence Property

to the highest bidder. Intending purchasers can buy both mill and residence property, or either separately. The mill is located about the center of a fine grain growing country. It has a grinding capacity of 60 barrels daily and is the only Full Roller Water Power mill in the valley. It has four double stands of rolls almost new, and the water power is first class. This is a splendid bargain and a good chance for a good miller to make money.

The residence property consists of about 50 acres of land on which is a good residence and outbuildings. Also one of the best and prettiest orchards in the county. Produces fruits, berries and vegetables of all kinds. Is one of the best and prettiest homes in the valley. I am getting too old to attend to the business. That is why I want to sell. The Auction sale will take place at

Lake City, Calif., on Saturday, October 11, 1902.

For further particulars inquire of N. DRY, Lake City.
