

There are two ways of doing business A right way and a wrong way

The right way (my way) is to sell everything on a small margin or legitimate profit—no matter whether it is Sugar, Calico, Shoes, Furnishing Goods or anything else.

The wrong way is to advertise to sell one or two articles, such as Sugar or Calico, below cost and make up the loss on other goods.

The store that advertises sugar for less than cost must necessarily charge you fifty to one hundred per cent profit on other goods to make up the loss on sugar.

No merchant is in the field to loose money. My goods are at your disposal at a price you can well afford to pay. My price list proves that fact. Ask for one and convince yourself by comparison.

You will save money by buying your supplies here.

Enjoyable Surprise at The Bieber Home.

Surprise parties, progressive whist parties and private musical affairs are becoming quite popular in Lakeview, and promise to be the source of many pleasant gatherings during the dull winter months. The latest, to follow the progressive whist party at the residence of Mrs. Walter Sharp, was a surprise given at the pretty home of Mr. and Mrs. A. Bieber on Thursday evening, October 16. The affair was in the nature of a surprise to Mr. Bieber, given by a few of the friends of his household, in commemoration of that gentleman's forty-third birthday. In mentioning the gentleman's age we have his full consent. Mr. Bieber is only in the market for "good goods," and has no intention of "engaging" himself in any other line.

Mrs. Bieber, always the hospitable and agreeable hostess, presided in her most accomplished manner, and those who were present were happy to have passed an evening as her guests.

Progressive whist, an amusement that is never lacking in interest, held full sway until the hostess added to the enthusiasm with a delightful luncheon. Mr. Harry Bailey proved himself the champion whist player and was awarded the first prize offered for gentlemen, a very pretty China cup and saucer. Mrs. Harry Bailey captured the prize for ladies—a handsome China cake plate. It is a well known fact that Mr. and Mrs. Bailey have been practicing this game of whist for some time, in anticipation of carrying off the honors at the Bieber home. Of course it was "in the cards" that Mrs. Lee Beall and Mr. Walter Sharp would win the booty prizes.

Those present were: Mr. and Mrs. W. A. Massingill, Mr. and Mrs. Frank P. Light, Mr. and Mrs. Will Steele, Mr. and Mrs. Lee Beall, Mr. and Mrs. Walter Sharp, Mr. and Mrs. Harry Bailey, Mr. and Mrs. E. M. Brattain, Mrs. C. A. Knox, Judge Henry L. Benson, Mr. Frank B. Evans and Mr. Max Whitteley.

Death of Eva Lewis.

A dispatch from Salem came to Mrs. Delia Lewis last Monday stating that her husband Eva Lewis had died in the asylum on Sunday night. Less than three weeks ago deceased was committed to the asylum for the insane, as physicians here had decided that his case was hopeless. An early death in this case was not unexpected. Eva Lewis was a native of Iowa, and was aged 49 years. From Iowa he came to this state and located at Eugene. Twenty-six years ago he came to Lakeview, and has resided here since. He leaves a wife and two children, and a brother, Simon Lewis, who resides at Burns. He was a member of the lodge A. O. U. W. and Degree of Honor at Lakeview, and carried a policy of \$2,000 in the first named order. Eva Lewis was a familiar character in Lakeview, as commanding, generous to a fault, and had good traits of character that overshadowed the frailties and weaknesses that mankind is heir to. The remains will probably arrive here Saturday, and on Sunday the funeral will be conducted under the auspices of the local lodge of Workmen.

The Examiner acknowledges a pleasant call from E. B. Mulkey, president of the Ashland Normal school, who is conducting the Lake County Teachers' Institute this week. President Mulkey is a plain, unassuming gentleman, but he is distinctly one of the brainy men and distinguished educators of this state. The Ashland Normal certainly has a man at its head who can and will make the school a name that the people of Oregon may feel proud of.
