LAKEVIEW, OREGON, OCT. 30, 1902.

### Brief Mention of Our Teachers' Institute.

The Annual County Teachers' Institute for Lake county convened at the public school building in Lakeview on Oct. 22d, 1902, and continued in session three days. The attendance was good, all the teachers being present except those from Paisley and Silver Lake.

President B. F. Mulkey of the Southern Oregon State Normal School was present and conducted the work of the institute. He proved himself to be a very efficient and enthusiastic conductor.

The program of the institute was carried out as outlined with one or two exceptions; occasionally President Mulkey would arouse such an interest in some branch of school work that the demand to have such work completed was so great as to require that the regular program be set aside and the work in hand continued.

The series of lectures on "Science Work in the Public School," and "Economy of Energy in the School Room" were new features in the institute work and proved quite interesting to the teachers.

In every sense of the word the Annual Institute of 1902 was a complete success. The teachers were much pleased with the manner and thorough work of President Mulkey and will be pleased to meet him again in institute work.

#### "Jim" the Victim This Time.

"Jim," a dog that was considered the most intelligent of the canine family in Lakeview, died last Saturday night at the hand of the despicable "dog-poisoner." He was the property of J. W. Peacock, and everybody admired him for his sagacity. Surely the individual (not the man, because no MAN would be so cowardly as to put out poison for a poor, dumb brute) must feel highly gratified over the result of his diabolical work. "Jim" was so far above his slayer in intelligence that no doubt the fellow became ashamed and wanted to put the dog out of the way. What a low, contemptible fellow it must have been who would ruthlessly take the life of poor old "Jim"—a dumb brute who never harmed a human being, but was always the friend who would save a life if he could. If the dog-poisoner were not an arrant coward he would soon be marked for life—his ears cut off close to his cranium.

### Moore's Company Delights Our People.

Moore's Theatrical Company entertained the people of Lakeview four nights during last week, and left here for Surprise Valley, Monday, with the best wishes of our people. Mr. and Mrs. Moore are old favorites here, and the personnel of the company has been greatly improved. Some exceptionally good theatrical work was done each evening. "Through the Lines," a military drama, was the attraction the first evening, and everybody enjoyed it. "Chick" drew a fair sized audience the second night, and "Under Two Flags" brought out a splendid audience the third. The company closed before a large audience on Saturday evening, in the always popular "Ten Nights in a Bar Room." Mr. and Mrs. Galarneau have been with the company ever since its organization, and the longer they stay the more popular they become. Lakeview people notice a great improvement in their work, and are highly gratified because they are, it might be said, "home people," and we all take an interest in them. Little Albert Moore takes an actor's part, is property man, and receives a weekly salary. New additions to the company since its former appearance here are O. W. D'Anluire, H. Pollard and W. E. Graham. They are a trio of clever gentlemen. Mr. D'Anluire is a vocalist of remarkable voice, whose work in the past has been on the operatic stage.

It is probable that the company will return to Lakeview to spend the winter. Our people will give them a hearty welcome. Mr. and Mrs. Moore have warm and sincere friends here, and with Mr. and Mrs. Galarneau, will find genuine hospitality in Lakeview.

#### Archie Heryford is Dead.

The sad news reached Lakeview last Sunday night by wire that Archie Heryford was dead. For a long time the unfortunate boy was a sufferer. Several months ago he went blind, and was taken to the State Asylum for the blind at Salem where he could get careful treatment. His death had been expected, as it was known for several weeks that he was suffering from tuberculosis of the brain.

Deceased was the second son of Jas. D. Heryford of Lakeview. He was born in Lake County, Oregon, Nov. 27, 1887, and was aged 14 years and 11 months at the time of death. Many people of Lakeview will remember Archie, including his former schoolmates, and think of the misfortunes of his life with much sorrow. The remains were ordered embalmed and shipped to Lakeview from Salem. His uncle H. R. Heryford and George Reid went to Klamath Falls to meet the conveyance carrying the body and to escort it to Lakeview. Due notice will be given of the time of funeral. It will probably occur on Sunday next at 2 p. m.

#### Jack Mulkey Dead.

Jack Mulkey died at Davis Creek last Thursday, Oct. 23d. For over a year deceased has been bedfast from that dreaded disease, consumption. When the news reached Lakeview there was genuine sorrow, for Jack Mulkey was well known in this section as an honorable man and a good fellow. Particularly was the news of his death felt keenly by his old associates at the cattle ranches in Lake county. He was always popular, true to the trust imposed upon him, and his word was all that was necessary for the fulfillment of a promise made by him. There were the best qualities of manhood in unfortunate Jack Mulkey's make-up, and it is regrettable that his life was cut so short.

The funeral was held from the home of his parents at Davis Creek on Friday, Oct. 24th, under the auspices of the Knights of Pythias.
