

Female Form Divine.

The most perfect female figure is not on the stage, for there is not a woman on the stage whose figure anywhere approaches perfection.

Appraisers of Klamath Lands.

A dispatch from Washington, D. C., under date of Oct. 17, says that the Secretary of the Interior, on recommendation of Commissioner Hermann, has appointed R. A. Emmett, of Reno, Nathaniel Langford, of Medford, and Elmer A. Applegate, of Klamath Falls, to appraise certain lands, formerly a part of old Fort Klamath military reservation.

The net receipts from the disposal of public lands in Oregon in the last fiscal year were \$546,025, against \$304,588 for the preceding fiscal year.

The Best Remedy for Croup.

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be strangled in the middle of the night by a whooping cough in one of the children.

An Unlucky One.

SOUND AS A DOLLAR

That is the result of a course of treatment with Scott's Emulsion. We have special reference to persons with weak lungs and sensitive throats.

Scott's Emulsion does some things better than others. This is one of them. It has a peculiar action on the throat and lungs which gives them strength and makes them tough.

That's how Scott's Emulsion drives out coughs, colds and bronchitis. It keeps them out, too.

AN ALL-ABIDING FAITH.

The Illinois Central Railroad Company has an all-abiding faith in the future of the Great Northwest. A short time ago, this was manifested by its establishment in Seattle of an agency to take care of their interests there.

The train to be known as "The Chicago and Portland Through" will consist of a double-deck buffet-lounge car and dining car through with a change to a second-class and baggage car and St. Paul Dining car which will be maintained, subject being served out of Chicago as of breakfast and dinner.
