LAKEVIEW, OREGON, NOV. 20, 1902.

Wool Markets and Sheep says that the breeding or mating season is filled with important and anxious results. The influence of a single ram goes down through the flock for generations.

About twenty five years the first band of sheep was taken into Montana, and this small flock has increased until now, according to the Department of Agriculture's figures, there are over 6,200,000 sheep in the state, or more than one seventh of the whole number in the United States.

Portland merchants are making a great ode about what should be done to secure the Alaska, Oriental and Coast trade. Why not look a little nearer home and secure Oregon's trade.

The Liberal University of Silverton, Oregon, is to be removed to Kansas City. The board of directors of the school, through a local real estate agent purchased the Proper block, one of the largest structures in Kansas City, as the home of the university, paying \$80,000 cash for the property.

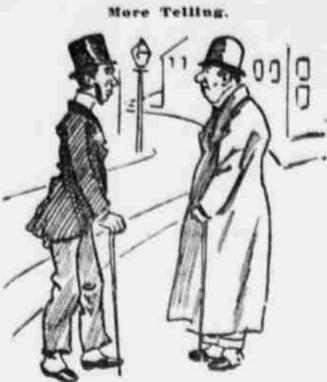

Medford has another new paper—the Medford Success. It is going to be a Republican Journal but says "it will not be so radical as to impugn dishonest methods or unpatriotic motives to other parties, for this is a free country, and all should be allowed their opinions without the interference from others."

Klamath Falls will soon have the greatest masquerade ball ever held in that county. It is said that some of the "rustlers," or bad men of the bad lands, where sheep are hated quadrupeds, will join with the merry social maskers but will closely hide their identity under a coat of wool, and buck horns will protrude from the head gear to make them appear as very devils.

A temperance advocate down in Maine was in the habit of having bottled beer sent to his home in boxes labeled "Crackers." The drayman accidentally let a box fall one day and the truth "leaked" out.

An exchange says the festive old style bustles are coming to the front again. They should be kept in the rear by all means.

Adams' Sarsaparilla Pills are purely vegetable and choco-ate coated. They act surely but gently, curing Constipation, Biliousness, Sick Headache, Dyspepsia, etc. They purify the blood and improve the complexion.

"Do you ever exchange hard words with your wife?"
"We often exchange hardware."

CHURCH AND CLERGY.

The number of churches in Chicago, according to the city directory for 1902 is 696.

Rev. Dr. W. D. Parr of Kokomo, Ind., has officiated at 105 church dedications, which is thought to be the world's record.

Rev. Dr. Francis E. Clark, president of the United Societies of Christian Endeavor, has returned to Boston after a European trip in which he covered 30,000 miles.

Rev. Fred V. Hawley of Louisville, Ky., has been chosen the new secretary of the Western Unitarian conference in place of Rev. F. C. Southworth, who has been elected president of the Meadville Theological seminary.

Charles H. Leonard, D. D., S. T. D., dean of the Tufts college divinity school, was eighty years old on Sept. 16 and has just returned from a summer in the White mountains to begin his thirty-third consecutive year of work in the department at the college. Dr. Leonard is now the oldest member of the Tufts faculty.

PERT PERSONALS.

The moot question now is, "Did the Grand Duke Boris?"—Baltimore American.

King Alfonso of Spain is only a slip of a boy, but he has already made Sarah Bernhardt jealous in the advertising line.—St. Louis Globe-Democrat.

Richard Harding Davis is said to be at work upon his autobiography. Thank heaven, he is still under forty, and it can't be published till he dies.—Seattle Post-Intelligencer.

Not contented with denouncing Colonel Watterson as a "wretched fellow," Harry Lehr also calls him a "rude man." If Harry was a friend of ours, an earnest attempt would be made to calm him. He is entirely too angry.—Galveston Daily News.

AN ALL ABIDING FAITH.

The Illinois Central Railroad Company has an all abiding faith in the future of the Great Northwest. A short time ago, this was manifested by the establishment, in Seattle, of an agency to take care of their interests there. The latest effort is to put on a splendidly equipped new train service between St. Paul and Chicago.

The train is to be known as "The Chicago, St. Paul and Minneapolis Limited" and will consist of sleeping car, buffet library car and reclining chair car through without change between Chicago and Minneapolis and St. Paul. Dining car service will also be maintained, supper being served out of Chicago and breakfast into Chicago.
