F. M. Chrisman, the Silver Lake merchant, and one of the directors of the Lake County Telephone & Telegraph Co., arrived in Lakeview Sunday to attend the meeting of the board of directors this week. He returned home yesterday.

D. K. Penner, a piano tuner from Oakland, was here this week fixing up some of the stringed instruments that were out of tune. He went to Klamath Falls yesterday. Mr. Penner will make regular trips to Lakeview after this in October.

We understand that the promoters of the railroad building this way from Laird want to employ 1500 men on the line and are increasing the force rapidly as possible. The railroad is now building on Klamath county soil.—Klamath Republican.

Mrs. Lavonia Waddler, formerly Mrs. Sam Boyd of Lakeview, came up from her Oakland home last week to settle the Boyd estate. The Boyd place below Lakeview sold for \$2,000. Mrs. Waddler returned to Oakland Tuesday accompanying Mrs. W. A. Wilshire.

The Post says V. Conn's new brick store will be 30X100 feet, 2 stories high and a one story addition on one side 30X100 feet; an office in the rear 50 feet, making the entire building 60X120 feet. That will be a fine structure for our northern neighboring town.

J. A. McDonald, of Siskiyou county, who has been on trial at Yreka for the murder of Edward Loucks and Henry Hoover at Klamathon, July 21st, was convicted on the 12th of manslaughter in the case of Loucks. He is now being tried for the killing of Hoover.

A spirit of dissension has exploded in the Second Baptist Church at Portland and the organization is rent by factional strife and animosity. It is hoped that Gabriel's trumpet will not sound until the struggle ends and Christian harmony and fellowship have been restored.—Klamath Republican.

A mass meeting was held in Prineville last week for the purpose of organizing an association for the preservation of the arid lands of Crook County from wholesale grabbing and to aid the state organization to gain for this state the inauguration of government irrigation works at an early date. The membership numbers 300.

E. B. Henry, J. L. Condon, J. F. Arant and Jay Arant returned Thursday from their trip to Crater Lake National Park. Mr. Henry surveyed a road to the top of the mountain commencing at the head of Anna creek. The road will have an easy grade and will be kept clear of logs, etc., during the summer months by government employees.—Klamath Express.

A petition is being circulated for the release of James F. P. Bogart from the penitentiary, whither he was sent under the name of Prestoon about a year ago for holding up J. L. Yadin, at that time carrying the mail between Ashland and Klamath Falls, and robbing him of some small change. The young man's father is circulating the petition for pardon, which is based on the fact that Prestoon had but recently been released from a California insane asylum, and was mentally deranged at the time the holdup occurred.

O'Neil & Vanderpool who brought down last Spring 1000 head of fine Rambouillet bucks from the Prineville Land & Livestock Company's ranch, and who have been in Lakeview during the summer, sold most of the bucks and started for Prineville Monday. They drove back the few head of bucks left, and will probably dispose of them on their way home. The gentlemen expect to return again next year prepared to do a better business than this season. They made many friends while here who hope to see them return again.

Wm. McMillan, Land Office inspector, was here last week from Reno. Mr. McMillan went through the land office here in short order, and to all appearances, found everything in first-class shape, as all work had been done up-to-date. Register Brattain accompanied him to Albert Lake, and was taken to Burns from there by O. E. Charlton. Mr. McMillan has been a resident of Nevada for thirty years, and some years ago ran for governor of that state on the republican ticket. He only lacked a few votes of securing the coveted prize.

A few days ago, one of our promising shepherds started for Paisley to buy his supplies for the winter and in his haste forgot to take the harness for his team that he was leading. He discovered his loss when four or five miles on his road. This same man recently purchased an "ark," and was perhaps afraid of a flood—thus causing his forgetfulness.

Messrs. Lamb & Klipple have turned their Bucks into their Ewe Band. Look out for 20th century ideas in sheep husbandry.

The recent act of the Lake County Legislature B. Daly pro. tem.—repealing the scalp bounty act of the Oregon State Legislature, has misled a great many people in Northern Lake county. One man said it looked to him, that if Daly took off the scalp bounty he should lower the tax rate. Can he do so? Was asked. Yes, of course. If Daly wants to do anything with the laws of the state he will do so. Wonder why he has not taken up the Canal Bill, and built the canal to suit himself. Could he not handle the strike situation with his unlimited power? "SHEPHERDS."
