The best love story of the season comes from New Jersey, to the effect that a man of 65 met a woman of 74 in a horse trade, and as the woman got the better of the bargain, the man fell in love with her shrewdness while she loved him for his honesty, so they were married, and now each of them own both houses.

WORN TO A SHADOW.

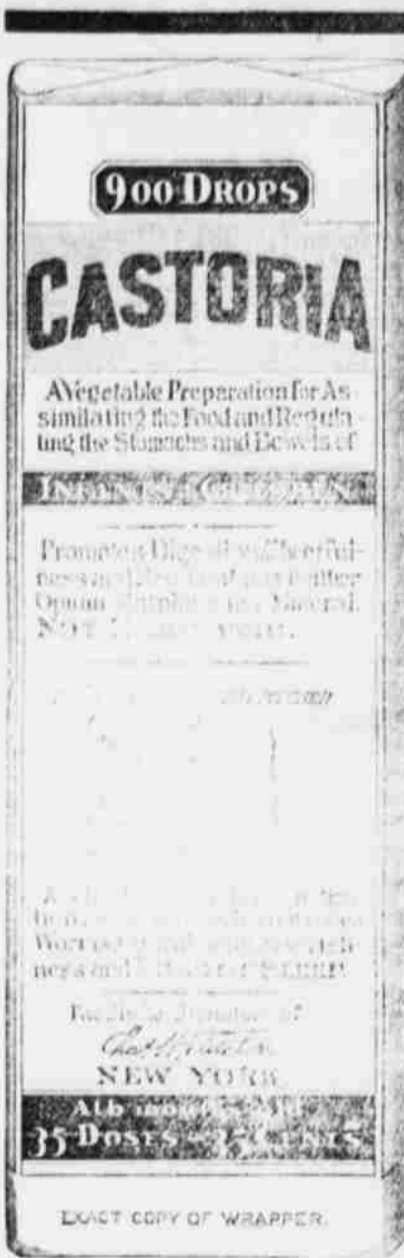

When there is a falling off in flesh in woman or man there is "something wrong." And that something wrong is generally a loss of nutrition due to disease of the stomach and the other organs

of digestion and nutrition. Sometimes this loss of flesh is accompanied by variable appetite, but in many cases the appetite does not fail and there may be a constant desire to eat. Languor, nervousness, irritability, sleeplessness, are symptoms often associated with this loss of nutrition and falling off in flesh.

Doctor Pierce's Golden Medical Discovery cures disease of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of food so that lost flesh is regained and the physical health re-established.

"I had suffered from indigestion and only those who have suffered from it know what it really is," writes Mrs. M. J. Fagan, of 1013 East Genesee St., Syracuse, N. Y. "I had had severe attacks of headache and dizziness, with cold hands and feet; everything I ate distressed me, bowels were constipated and I was growing very thin and nervous. I cannot half express the bad feelings I had when I commenced taking Dr. Pierce's Golden Medical Discovery. I took nine bottles of the 'Discovery' and have taken several bottles of Dr. Pierce's Pleasant Pellets. I commenced feeling better with the first bottle and kept on improving. Now I am so greatly improved in health my friends often speak of it. I most heartily recommend these medicines to all suffering as I was."
