THE NEW GOVERNORS

MEN WHO WERE HONORED BY THEIR FELLOW CITIZENS.

Some of the Elect Who For the First Time Will Preside Over Commonwealths—Chief Executives Chosen In Twenty-nine States.

Twenty-nine states voted for governors at the recent elections, and, while many of those chosen were re-elected, some are men who for the first time have been thus honored by their fellow citizens. Among the new governors perhaps Samuel W. Pennypacker of Pennsylvania, W. J. Bailey of Kansas, S. W. T. Lanham of Texas, George C. Pardee of California, John

GEORGE C. PARDEE.
[Governor elect of California.]

L. Bates of Massachusetts and J. H. Mickey of Nebraska have attracted the widest public interest because of their personalities and the strenuous campaigns which preceded the depositing of the ballots.

Governor Elect Lanham was perhaps the only one of the sextet who had no doubt of the outcome. He is a native of South Carolina and fought in the Confederate army. He once represented the Eleventh Texas district in congress.

W. J. Bailey, who after Jan. 11 will govern Kansas, is a type of the well to do farmer of that state. He is a native of Illinois and went to Kansas twenty-five years ago from the University of Illinois. By dint of hard work and intelligent application he has prospered and is considered one of the richest men in the state.

Dr. George Cooper Pardee, who has been chosen to preside over the destinies of California for the ensuing four

years, is a native of the Golden State and is forty-five years old. He is a practicing physician in Oakland.

Samuel Whitaker Pennypacker, just elected to serve four years as chief executive of the commonwealth of Pennsylvania, is a man of varied attainments. He is a forceful writer, an orator of power, and as a judge his ability has been recognized by both the political parties.

John Mickey, governor elect of Nebraska, is a native of Iowa and a veteran of the civil war. For twenty years he has been a banker at Osceola.

of Massachusetts will last but one year. He is a native of the old Bay State and forty-three years old. He has been a member of the Suffolk bar since 1885. Mr. Bates has served five years in the legislature and was elected lieutenant governor of Massachusetts in 1889, 1900 and 1901.

The Bank of England.

The Bank of England employs about a thousand people, pays a quarter of a million in wages and £35,000 a year in pensions.

A Weak Finish.

A newspaper thus describes the effects of a hurricane: "It shattered mountains, tore up oaks by the roots, dismantled churches, laid villages waste and overturned a haystack."

HOUSEWORK

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhœa and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

WINE OF CARDUI

is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glendeane, Ky., Feb. 10, 1901.

I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fleshier than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I do not think of lying down through the day. MRS. RICHARD JONES.

BOTTLE BABIES

Bottle babies are so likely to get thin. What can be done? More milk, condensed milk, watered milk, household mixtures—try them all. Then try a little Scott's Emulsion in the bottle.

It does for babies what it does for old folks—gives new, firm flesh and strong life. You'll be pleased with the result. It takes only a little in milk to make baby fat.

We will send you a little to try, if you like.
