"Because I Love You" Played in Lakeview.

The State Line Dramatic Club of New Pine Creek produced the popular drama, "Because I Love You," to a large and appreciative audience in Lakeview last Friday night. The amateurs were somewhat averse to coming to Lakeview for fear of criticism from the Lakeview people. But the earnest desire to swell a fund they had started for the purpose of building sidewalks in the state line town, overcome their timidity, and they loaded themselves into a sleigh and came. They were greeted with open arms by the Lakeview people, and they were shown every courtesy that was due them. The Lakeview orchestra gave their assistance gratuitously, and dispensed some fine music. The play was all that had been claimed for it, and the actors carried out their parts in a manner that showed that they had been well trained for their several parts.

We will not attempt to say anything further about the play, as a complete write up of it was published in our issue of Jan 29th, when it was played at New Pine Creek. The receipts of the evening were \$50. After the troupe had returned home, they wrote to the Examiner as follows:

After our trip to Lakeview and our short but pleasant stay at the Lakeview Hotel, we are safe and sound at home again. We take this opportunity to say "thank you" to the good people of Lakeview for their many kindnesses while we were in their town. We had a very "good house" considering the cold of the evening and a more orderly audience could not be had. Indeed, the good order speaks well for the town of Lakeview and we do certainly appreciate the good will extended to us while there.

Summer Lake Notes.

L. Klipple of Summer Lake met with an accident a few days ago, that came near resulting seriously. He had started to his sheepcamp, on the Summer Lake hills to assist Ed Lamb, who is herding, to drive the sheep to the ranch on account of the recent heavy fall of snow. He was driving a fractious team. Dick Sherlock's camp tender, ("Shortie,") Lex Leuborg, came up unexpectedly over a hill, leading a pack horse—packed as only shorty can—bearing Klipple's team. They started to run, throwing Klipple out of the wagon and dragging him a considerable distance bruising his right shoulder.

The snow is about 16 inches deep on the Summer Lake hills. Sheep men are beginning to look worried as the weather is very cold.

Joe McNew says he feels completely lost, not having any sheep to look after.

Coyotes are very thick on the desert. As many as 8 having been seen in one band. It is common to see three and four together.
