Danger of Colds and Grip.
The greatest dangers from cold and grip is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventative of that dangerous disease. It will cure a cold or an attack of the grip in less time than any other treatment. It is pleasant and safe to take. For sale by Lee Beall. 11-71

America was discovered on Friday, and the May Flower landed its first load of Pilgrims on Friday; so much for Friday being an unlucky day.
