

TWO TAX PAYMENTS.

Change in the Law Makes it Necessary for Two Collections of Taxes in the Year 1904.

"Will property-owners in Oregon have to pay double the usual amount of taxes in the Fall of 1904?" is a question that is discussed at some length by Linn County citizens nowadays, says an Albany correspondent of the Oregonian. Not that there is room for a great deal of argument concerning the letter of the law passed by the recent session of the Oregon Legislature, but the inevitable effects of the law furnishing the question for discussion.

It will be recalled that at the last session of the Legislature House bill No. 107, entitled "An act to provide more efficient method for the assessment and collection of taxes," etc., was passed, and later received the Governor's signature, thus becoming a law. This new law provides that, beginning with January 1, 1904, the taxes for each shall become due and be collected at least in part before the end of that year. That is, that the taxes for 1904 shall become due and paid in 1904, instead of in the following year, as has been the practice in the past in Oregon. The specific provisions of the law are that the taxes for each year may be paid by the 1st day of December of that year; but if they are not paid before the 1st day of February of the following year they shall become delinquent on that date provided, that if one-half of the taxes are paid before the first day of December, the remaining one-half may go over until the first day of the following April, becoming delinquent on the 1st of May. This law to take effect the 1st of January, 1904.

Now, then, the contention is that in the Fall of the year 1904, when the new system of collecting taxes is installed, taxpayers will be burdened with a double payment of taxes. Under the old law the taxes for 1903 will be collected in 1904. One-half of these may be paid in the Spring of the year 1904, and the other half in the Fall. As the 1904 taxes must be paid at least in part before the 1st day of December, 1904, would seem that in the Fall of that year one-half of the 1903 taxes and one-half of the 1904 taxes or the taxes of a full year must be paid. This position is maintained by some of the leading ability of Albany.

It is generally agreed that the new method, when once established, will be much more satisfactory than the old. But it is also agreed that the doubling-up year will be a hard one for taxpayers.

It is argued that this new law has not been widely enough advertised. The general public does not seem to be apprised of the conditions which it will have to face next year. The law should be given greater publicity and the people warned that they should arrange to settle their 1903 taxes as early as possible after the assessment rolls are made up. In this way taxpayers will be prepared to meet the 1904 taxes, which come in effect as an extra assessment in that year. But, fortunately, the jump is made during an era of general prosperity in the state.

Danger of Colds and Grip.

The greatest dangers from cold and grip is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventative of that dangerous disease. It will cure a cold or an attack of the grip in less time than any other treatment. It is pleasant and safe to take. For sale by Lee Beall. 11-71

Growing Old

Ought not to mean growing weak and feeble. It does not mean weakness or feebleness for those who eat with good appetite and sound digestion. It is of the utmost importance that old people should retain the power to digest and assimilate food which is the sole source of physical strength. When age brings feebleness it is generally because of the failure to assimilate the nutrition contained in food.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and enables the perfect digestion and assimilation of food. It invigorates the liver and promotes general physical well being.

"It is with gratitude we acknowledge what Dr. Pierce's medicine has done for grandmother's good, in fact it has cured her," writes Miss Carrie Ranker, of Perryburg, Ohio. "She had suffered with several physicians but found no relief until Dr. Pierce advised her what to do. She has taken only three bottles of 'Golden Medical Discovery' and is entirely well. She suffered with pain in kidneys, bladder and liver for ten years, and her limbs were swollen with dropsy so bad she could hardly walk. My grandmother's name is Mrs. Caroline Hennen, her age is 71 years. I will gladly answer all letters of inquiry."

Sick people are invited to consult Dr. E. V. Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential.

Timber Land Script.

Last Friday a crowd of Alturas residents, being J. H. Stewart, H. O. Jopp, Andy Hudspeth, J. M. Pierce, L. S. Smith, Wm. Ogle, Fred Huffman and Fred Thompson left here for the timber belt near Goose Lake, with the intention of locating timber land claims. They remained there two or three days, looking at the timber, and each chose a claim for himself. On Monday they returned to Alturas, and were preparing to send their filings to the Land Office, when a telegram from Susanville informed them that some eastern people had placed scrip on all the land which our Alturas people had chosen. It is also reported that scrip has been placed on all the timber west of Goose Lake, and most of that east of the lake. It seems unfair for outsiders to secure the cream of Modoc timber lands, while our own home people get left.

A Local Democratic Opinion.

(Medford Enquirer, Dem.)

A. E. Reames of Jacksonville, having received the democratic nomination for congress, will no doubt receive the same support from the democrats of Jackson county, in his campaign, as they have from him during the last two campaigns in this county, state and district.

The platform adopted at the Albany convention seems to us far less democratic than the one laid down by the "Stuffed Prophet of Buzzard's Bay." Either the democrats of Oregon should be democratic or go out of business as a political party. Buncombe is not statesmanship. But then what could be expected from the majority of that committee?
