B. W. FARROW, Lakeview, Oregon.

BERRY—SPRAY.

Married—At Davis Creek, Cal., Sunday, June 29th, 1903, at the residence of the bride's mother, Mr. Albert R. Berry to Miss Alta W. Spray. Rev. Smythe, of Lakeview, officiated. There were probably 200 invited guests present. The wedding dinner was served in a bower in the yard. About the time the guests sat down it began raining, which dampened the order of those present, but they remained at the table, as they didn't propose to allow that dinner to spoil before their eyes. Every one was jolly and the day passed off pleasantly. The groom was the happy recipient of a \$1000 check as a wedding present from his parents. Many other valuable presents were received, amounting to \$300 or more. The bride was one of the popular candidates for Goddess of Liberty for the Lakeview 4th of July, and was in the lead the week before the final vote.

The Examiner joins their many friends in wishing a happy and prosperous future.

REHART—DUSENBERY.

Married—At the residence of the bride's mother, in Lakeview, June 28th, Mr. William Rehart, to Miss Louise Dusenbery, by County Judge Daly. The wedding was a quiet affair, and only a few were present. Mr. Rehart is the son of C. A. Rehart, one of Lake county's substantial sheep men. The Examiner extends congratulations.

The Elopers Married.

Married—In Klamath Falls, Tuesday evening, June 23, 1903, in the parlor of the Esmond Hotel, B. A. Bagan and Miss Nellie Bowers, both of Lakeview. The ceremony was performed by Judge G. T. Baldwin. The young couple will make their future home at Keno Springs, Klamath county, where Mr. Bagan has a position with Dave Eiler.

R. M. Russell, of the Madeline hotel, was transacting business in Alturas yesterday, says the Plaindealer. To our regret we learn that Mr. Russell has sold out at Madeline and will move to Sacramento. We were in hopes that "Dick" would conclude to return to Alturas, but a better business offering at Sacramento determined him otherwise. C. G. Spurgin succeeds Mr. Russell as proprietor of the business at Madeline.

W. H. Butler, of Westfall, Or., has been in town several days. He tells of having a scrap with a wildcat while in the mountains a few days ago. He had a small dog with him, which engaged the wildcat in a fight. When Butler came upon the scene the dog was getting the worst of it, so he pulled out his pocket knife, and started in to assist the dog. Having only one arm Butler came near getting the worst of it, but as it was he got off with some big scratches on his hand and arm.

After considerable correspondence the post-office department have notified Postmaster Wiley that the formal mail schedule from Alturas to Lakeview would be put in force, and would take effect at once, dating from June 29. The mail is to leave Alturas upon the arrival of the mail from Madeline, but not later than 9:30 a. m., and arrive in Lakeview in 12 hours. This is the kind of a schedule the people of Lakeview want, so that in the summer time the people will not be compelled to wait until the next morning after the mail arrives for their mail.
