

## PLAYED GOOD BALL

**Paisley and New Pine Creek Open  
the Base Ball Contest With a  
Good Game--Other Games**

Play ball!  
When that expression was heard from P. A. McCorran, the umpire, of Reno, last Friday forenoon, people began to think the game would be judged right and fairly. And it was. Never was there an umpire in Lakeview that gave such perfect satisfaction, simply because he understood the game and knew how. He was "Johnny on the spot" every time the pitcher delivered the ball.

The game Friday was between Paisley and the State Line team. The latter boys appeared in good form, but not any more so than the Paisleys. It was nobody's game up to the sixth inning. W. Y. Miller, of the Paisley team went out and made a score in the first inning, which looked as though it would be the last. Both teams played good ball and the excitement was intense. The rooters on the bleachers yelled themselves hoarse. The betting was spirited but there was some odds in favor of Pine Creek. In the 3d inning, Lester Vernon made the first run for the State Line team, and that was the last until the 7th inning, when five of the boys went out and made a tally each. Paisley made one tally in the 5th inning. It began to look like Pine Creek was a sure winner, but it was nobody's game until the 8th. Paisley made two tallies in the 7th and five in the 8th, and the State Line team only made one in the 8th, losing the game by 7 to 9.

The purse was 1/2 of the gate receipts, \$28.00.

The second game was played on the afternoon of the 4th and was witnessed by a very large crowd. It was between the winners of the previous day and a picked up nine from Lakeview and Silver Lake. The Paisley boys protested against the outside boys, claiming that Lakeview was to play with a home team. But as several of Lakeview's best players could not play, it was favorably agreed to as arranged, if the big purse of \$200 would be equally divided. With this understanding the game was played. As it was not known how the Lakeview nine could play, and as the Paisley boys had put up such a good game the day before, it was expected the result would be close.

In the first inning Lakeview made five tallies and Paisley one, and in the next Paisley made four and Lakeview none, making the score even. But the Paisley boys were worn out from the day before, and could not put up half the game they did with the State Line team, and soon saw their finish. The Lakeview nine put up a good game and won in a gallop after the second inning.

The third game was played Sunday afternoon between Lakeview and the State Line for the gate receipts of the last two days, to be divided equally, making \$45 for each side. The betting seemed to be in favor of Lakeview a little, and when they went to the bat, they made three runs the first inning, but when

Pine Creek went to the bat they proceeded to bat the Lakeview pitcher all over the field. The vanquished Paisley boys being a little sore, rooted for the Pine Creekers. In the first inning, Pine Creek made four runs, in the 2d, one, in the 3d, 7, and in the 4th, 3, when the Lakeview nine changed pitchers and put Fent Smith in the box, and he only allowed them to make one more run during the game. The game ended in first half of the 9th, in favor of Pine Creek with a score of 16 to 8.

### JULY RACE MEETING.

(concluded from first page.)

Some good riding was done in hobbled stirrups but no up and down riding. The bronchos were pretty ones indeed, showing plenty of breeding and stamina.

The first race yesterday was a consolation race, 1/4 and repeat, with the following entries: Lady Lordlike, Creedmore, Dairy Maid and Tulare Chief. Creedmore won. The second was a mile dash for \$200. Henry M., Yo No Se and The Wooser entered. The latter won.

#### The Oregon Journal.

Tuesday afternoon a vehicle steamed into town, sailed down main street at a whirlwind gait and drew up at The Examiner office. We at first thought it was another automobile, but upon the passengers alighting found it to be Paul de Laney and E. A. Puterbough, who were touring Southern and Eastern Oregon in a covered wagon with red letters on the sides, conveying the intelligence that the Oregon Journal was one of Portland's daily papers. These gentlemen are full of energy, and vim, probably sufficient to propel their carriage, but they brought along a span of mules to help them out of a snow drift which they encountered on the mountain between here and Plush. They were compelled to return to Plush Monday on their way here during the big snow storm. The snow was 4 inches deep.

The gentlemen are gathering data for a special edition of the Journal, devoted exclusively to the interior of Oregon.

Paul de Laney is an old resident of Lakeview, and is classed as one of the best descriptive writers on the west coast. He is and has been writing numerous stories of Lake county for his paper, and is gathering material for a lot more. It will be remembered that De Laney wrote the "Lord of the Desert," and while on his way from Burns to Lakeview, he camped on the spot where the scene of this story is laid.

Mr. Puterbough is circulation agent of The Journal, and will no doubt do a good business in Lakeview.

Moore's Comedians closed their six nights' engagement in Lakeview last night. They met with all the success that they expected, which was a crowded house every night, and some nights people were turned away on account of room. They think they were not treated fairly in having the license raised to \$25 per night, and claim they will bring the matter before the circuit court if the amount is not returned. The Moore's will return to Alturas today where they will fill another engagement. They always give good clean shows and are deserving of success.

Probably no heavier snow storm occurred during last winter than was witnessed last Monday morning July 6th. It came down in large flakes and soon covered the ground to the depth of 1/2 of an inch. Trees were bent to the ground with the heavy load, and many were broken down. It was a scene rarely witnessed and one that people could not believe unless they seen it with their own eyes.
