

Local Happenings Told in Paragraphs

A daughter was born to the wife of F. D. Smith Sept. 12th.

Frank Romer spent several days in town from the 70 ranch last week.

This season of the year is designated by many as fly time, and it surely is.

For your letterheads, noteheads, billheads, statements, envelopes, come to The Examiner job office. *tf.*

The Post says the ZX firm is still haying and will have close to 6000 tons put up when they get through.

The most complete job stock off of the railroad is to be found at The Examiner office. First-class work always, at reasonable prices. *tf.*

A motor fan should be placed near an open window or other opening where it can draw fresh air. If in a corner or center of a room it simply stirs up foul air.

Willis Barnum of Clover Flat, was in town Thursday, wearing his usual pleasant smile. They say that Willis looked sober after taking a lodge degree while in town.

Fent Smith and Wm. Russell returned Thursday from Alturas. They report that city quiet but a large number of good horses in training for the coming fair in October.

County Commissioner Currier yesterday morning started with a bunch of about 50 horses for the California market says the Post. Mr. Currier has some fine animals and no doubt will find a ready sale for them.

W. H. Musselman and wife, who spent the summer in Klamath Falls, went to Merrill Sunday says the Express. Mr. Musselman has been engaged to teach the fall and winter term of school at that place, which commenced Monday.

The question of the comparative economy of petroleum and coal as fuel is one of locality. In New Orleans, San Francisco and Texas the saving in cost with oil is 72 per cent. In New York coal is 69 per cent cheaper than oil.

Robert Noble of Boise City, Idaho, is one of the largest sheep growers in that country, owning not less than 150,000. Last winter he fed 8,000 tons of hay to help his mammoth flock through to grass when the winter feed on the range gave out.

Rev. J. W. Pepper of Fort Bidwell, passed through Lakeview last Friday on his way to the Methodist conference which meets at Salem on the 30th of this month. Mr. Pepper does not expect to return to Bidwell, nor does he think another minister will be sent there.

Roy Carlton, a well-known engineer was instantly killed at Roseburg, Sept. 13th, while running a switch engine. It was in the night and another engine backed into him unobserved, with the above result. Carlton was a cousin of Joe and Frank Lane of Lakeview.

P. T. Barnum once said: "If you have \$10 to put in good use, put \$1 for the article and \$9 for the advertising. I can out talk any man but a printer. The man who can stick type and the next morning talk to a thousand people while I am talking to one is the man that I am afraid of, and I want to be his friend."

The woolgrowers have been holding secret sessions in Billings, Mont., with a view of forming all the woolgrowers of the Northwest into one organization to fight the demands of the shearers for increased wages. The Central Montana Association of Wool Growers is behind the movement to form one body of wool growers throughout the sheep raising country. Some losses entailed through strikes of shearers this season have prompted this action.

Last year America imported only 8,000,000 bushels of potatoes.

Kentucky Favorite Whisky—mildest and best. Physicians recommend it. Post & King. *tf.*

It is said that Texas alone markets \$50,000,000 worth of cattle annually.

Golden eagles are increasing in the Scottish highlands owing to the efforts made by large land owners for their preservation.

Cyrus Noble Whisky—the old champion and still champion of them all. Used in all first-class places. Ask for Cyrus Noble case goods when you want a good drop at home. *37 tf.*

The death roll of the Alps this season has been enormous. Already more than 300 accidents are recorded resulting in the loss of 150 lives.

Of the world's hay crop the United States grows 28,000,000 pounds. This is about half as much as Germany and two-thirds as much as England.

Germany owns 70,220 miles of telegraph cable, or one twenty-fourth of the entire system of the world, while Great Britain owns two-thirds of the total mileage.

The aborigines of Peru can, in the darkest night and in the thickest woods, distinguish respectively a white man, a negro and one of their own race by the smell.

When troubled with constipation try Chamberlain's Stomach and Liver Tablets. They are easy to take and produce no griping or other unpleasant effect. For sale by Lee Beall.

London is the birthplace of the Young Men's Christian association, and, although it celebrated some eight years ago its semicentennial, it has not become languid.

The statement that the British navy would protect British commerce in time of war seems absurd when taken with the fact that there are 6500 British merchantmen afloat.

Several copies of the Northwestern Stock Directory, compiled by Sloss & Lightly, printers of Alturas, have been left at this office for distribution. It is a valuable book for stockmen and worth the price. *tf.*

The people of Lincoln, Neb., boast of having the largest creamery in the world, not only in capacity for butter making, but in the size of the plant and the floor space of the building.

California farm for sale at a big bargain. 100 acres fenced and cross fenced. Cost present owner \$10,500 but will be sold for \$5000; 1/5 down and balance on easy payments. Inquire at this office. *47 tf.*

The latest statistical estimates for the German empire place the population at 58,549,000. From these figures it appears that the population has increased 1.46 per cent in that year.

Post & King are now receiving big invoices for their winter trade. All the finest brands of liquors and cigars are kept there. Post & King furnish the home with the best brands for medicinal purposes. *42 tf.*

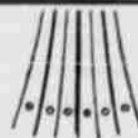

The first newspaper ever printed and published by an Indian has made its appearance in Eufaula, I. T. The editor is Alexander Josey, a Creek, and one of the most prominent men of the nation.
