A. T. Clippenger and family have moved to town and will occupy the property recently vacated by Jonas Brown and family, thereby giving their children an opportunity of attending our public schools.

Our baseball nine under the able management of Pete Follett and Joe Lane will start for Klamath Falls on October 4th with Fent Smith as captain to participate in the ball tournament in that city during the races.

W. Z. Moss started for Marysville, Cal., Sunday morning with 250 head of horses. Most of these are fine animals and should sell readily in the Southern market. Mr. Moss was accompanied by Lewis Frakes and Will George.

W. D. Woodcock and R. A. Hawkins left early Sunday morning for an extensive hunting expedition to Guano Valley. They expect to be gone about two weeks and we shall undoubtedly hear some choice hunting stories when they return.

The S. J. Studley residence on South Dewey street changed hands on Monday, Miss Ella Russell, of Cedarville being the purchaser. She is expecting her mother to arrive soon from Cedarville, when they will at once move into the above named residence.

C. H. Dunlap returned Saturday from a long bicycle tour of the northern counties. He covered about 1,500 miles on the trip taking in Shalinke, Heppner, Pendleton, Sumpter, Baker City, Vale and Burns. His last day's ride, from Silver Lake to Lakeview, was made in ten hours—a distance of one hundred miles.

J. M. Hughes, the mining expert of Fresno, Cal., who has been in town for several weeks looking over the claims of the Juniper Mining Co., of which he is a member, left Monday morning accompanied by his wife and daughter for their home in Fresno, where Mr. Hughes is largely engaged in fruit raising.

W. K. Barry, returned Monday evening from Reno, after spending a week in that city. Mr. Barry says the growth of that city is increasing rapidly and everything is in a prosperous condition. Mr. Barry thinks that Reno has prospects of becoming quite a city in the course of a few years and that a little money put into town property now would be a paying investment.

Major Del Mar, the famous trotter of New York state, last Friday tied the world's record of two minutes for a mile, paced by two running horses hitched to sulks. The event of the race was to beat his own record of 2:00 1/4 and to beat the world's record, of 2 minutes, held by Lon Dillon. Del Mar trotted a most wonderful mile and in a game but tiring finish shot under the wire in the record time.

Perry Stanley narrowly escaped with his life last Friday evening in the performance of his duties at the electric light plant. Perry's right hand accidentally came in contact with a live wire, burning the forefinger and thumb and straining the muscles of the entire arm and right side of the body. Had the shock penetrated the left side of the body, death would have been instantaneous.

Robert Kelly was up from New Pine Creek on Friday and made The Examiner office a pleasant call. He has disposed of his property to Harry Abldridge and will soon leave for Big Bend Springs where he expects to spend the coming winter. Mr. Kelly has been in poor health for a number of years and thinks the change of climate will, to some extent, alleviate his suffering. Should the climate of Big Bend Springs prove satisfactory, he will buy property and make that point his future home.

Robert Williams of Silver Creek, Harney Co. arrived in town Saturday morning on a brief visit to his half brother and sister J. C. Dodson and Mrs. A. Y. Beach. While here he sold to H. R. Dunlap about 250 head of stock and beef cattle. Mr. Williams had about 450 head more to sell, belonging to other parties in Harney county but could find no buyers. The price of hay being much higher this year than last has run the price of stock cattle down considerably from that of last year.
