

**LOCAL BREVITIES**

**How old is Ann?**  
Have you signed the anti-forest reserve petition? If not get your name on one at once.

If you haven't seen the model of the patent gate at this office, call in and inspect it.

Sign one of those forest reserve petitions without delay, as they will soon be forwarded to congress.

The most complete job stock off of the railroad is to be found at The Examiner office. First-class work always, at reasonable prices.

Daly Robnett of Willow Ranch has gone to Oakland to attend school another winter. His sister Millie will also attend the Oakland school, and will shortly go down for the winter.

E. S. Ede and J. C. Basey were visitors from New Pine Creek last Friday. Mr. Ede says his new hotel at the state line is progressing rapidly and will soon be ready for occupancy throughout.

Alfred Morrison has purchased of Geo. Bennet, the Cedarville mail route, together with the rolling stock and horses. Alfred is a good rustler and will give the people a good service.—New Era.

**WANTED**—SEVERAL INDUSTRIOUS PERSONS in each state to travel for house establishments, to visit with a large capital, to call upon merchants and agents for successful and profitable line. Permanent engagement. Weekly cash salary of \$15 and all traveling expenses and hotel bills advanced in cash each week. Experience not essential. Selection reference and complete self-addressed envelope. THE NATIONAL, 371 Dearborn St., Chicago, Ill.

If you start in to figure out the age of Ann, you will forget your troubles, even the prospects of a hard winter will be lost sight of, and spring will no doubt be here before you have solved it. Try it.

C. G. Dorris, one of the first settlers of Modoc County, passed peacefully away Oct. 17th, at his home in Alturas, at the ripe age of 74 years. He was stricken with paralysis some time ago, and has since continued to fall until death relieved him.—New Era.

Frank B. Evans returned last Thursday night from Ashland, where he went to join the caravan of camel riders, who crossed the sandy desert and was made to drink camels milk. Frank was unavoidably (?) delayed at Reno on his return, which caused some of his friends some anxiety.

While in a friendly scuffle with Alvie Smith on the school ground last Monday afternoon, Ed Mulkey, Jr., had the misfortune to get his shoulder blade broken, says the New Era. It was purely accidental. Dr. Risdon set the broken bones and the young fellow is able to be around all right.

J. C. Eubanks, the traveling salesman, lately purchased the Bailey Springs property at Castella, for a San Francisco Co., at \$25,000, on which a \$20,000 hotel is to be built and a new bottling house. The owners have formed a corporation with capital of \$100,000 to improve the property.—Yreka Journal.

L. B. Lafollett and wife of Prineville, who have been in Lakeview for several weeks past, returned to their home last Thursday. Mr. Lafollett disposed of nearly all of the 300 Rambouillet and Delaine bucks that he brought down from the Allen & Lafollett stock ranch in Crook County. These bucks are well bred and command a good price, and no trouble is experienced in selling them to sheep men who want good stock.

The Examiner has for sale one of the best stock ranches in Lake county on very reasonable terms—600 acres, all fenced, and well watered. This is a great bargain and will not remain long unsold. We also have a dozen other ranches and farms to dispose of. If you have any land or property to sell, list it with the Examiner. Send in description and we will sell it for you.

**GENERAL NEWS NOTES**

It costs \$10 a week to feed a horse in Pretoria. There is plenty of fertile land in the county, but very little water.

Kentucky Favorite Whisky—mildest and best. Physicians recommend it. Post & King.

The Russian emperor has ordered his officers to send him photographs of all the convicts who are sent to Sachalin, taken before they are sent to the lead mines.

The lizard like pterodactyl, which has membranous wings with a spread of 20 feet, is the pattern for the airship which Professor Langley of the Smithsonian Institute has built and recently tested unsatisfactorily.

If troubled with a weak digestion try Chamberlain's Stomach and Liver Tablets. They will do you good. For sale by Lee Beall.

A De Forest radiogram apparatus installed by Sir Thomas Lipton on his yacht, the Erin, while tender to the Shamrock, handled over 50,000 personal and press messages at the average rate of 32 words per minute.

During a thunder storm in Weber county, Utah, the rain carried down millions of small toads, from an inch to an inch and a half in length. They were so deep on the highway that they clogged the wheels of vehicles, and it was with difficulty that teams could get through.

California farm for sale at a big bargain. 100 acres fenced and cross fenced. Cost present owner \$10,500 but will be sold for \$5000; 1/3 down and balance on easy payments. Inquire at this office.

Advance reports indicate that the returns of the recent census of the Philippines, when tabulated, will show a population of 7,000,000, exclusive of the wild tribes of the mountains, which are estimated at less than a million.

Whorton & Smith's Palace continues to be the popular club room. If you are looking for a man you will likely find him at the Palace. George and Fent always treat their patrons well. Latest periodicals. Private club room, 42-11

On all the American mail ships nowadays there is a regular postoffice in charge of three postal clerks from the New York postoffice, who live aboard and assort the mails just as is done by the clerks upon the railway postal cars.

Cyrus Noble Whisky—the old champion and still champion of them all. Used in all first-class places. Ask for Cyrus Noble case goods when you want a good drop at home.

President Clark of the National Irrigation congress, which met at Ogden recently, estimated that homes may be provided for from 12,000,000 to 15,000,000 people by the irrigation of the 37,500,000 acres for which there is available water supply.

Several copies of the Northwestern Stock Directory, compiled by Sloss & Lightly, printers of Alturas, have been left at this office for distribution. It is a valuable book for stockmen and worth the price.

It has been suggested that, in view of recent developments in ionic investigation, all matter may be composed of a single mother-substance protyle. This protyle is supposed to be manufactured by destructive processes from concrete matter in the Crookes tube.

Post & King are now receiving big invoices for their winter trade. All the finest brands of liquors and cigars are kept there. Post & King furnish the home with the best brands for medicinal purposes.

The waste gases from a modern blast furnace are said to be capable of developing 10,000 horse power if utilized in a proper gas engine. The Scientific American recites this fact, and adds that the lost power from three such furnaces would be capable of pumping back all the water used by the Niagara Power company.

**A Love Letter.**  
Would not interest you if you're looking for a guaranteed Salve for Sores, Burns or Piles. Otto Dodd, of Ponder Mo., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me. It's the best Salve on earth. 25c at Lee Beall's Drug Store."
