LAKEVIEW, OREGON, NOV. 5, 1903.

The back tax case against the estate of Senator John Sherman has been settled at Mansfield, Ohio, for \$62,000. The amount sued for was more than \$260,000.

William Ramsauer is probably the most cool headed of all American "steeple jacks." Recently he climbed to the top of a flagstaff in Cincinnati, 37 feet above street, and stood on his head on the ball above the flag, he remained on the top of the staff an hour.

George G. Vest, formerly United States senator from Missouri, has moved from Sweet Springs to St. Louis, where he intends to pass the winter. Mr. Vest, though quite feeble, stood the journey very well. He was accompanied by Mr. and Mrs. George P. B. Jackson, his son in law and daughter.

A recent letter from Abyssinia describes King Menelek as a man about 60 years of age, dark in complexion, his face marked with smallpox and his chin covered with a slight gray beard. He has a keen, thoughtful face, brilliant dark eyes and through an interpreter converses intelligently with his guests.

Sir Francis Plunkett, now British ambassador at Vienna, who will probably succeed the late Sir Michael Herbert as ambassador to the United States, is married to an American woman, the daughter of C. W. Morgan of Philadelphia. Sir Francis is 68 years old and has been in the diplomatic service of his country over 40 years.

Rev. Father Joseph Maszotas, who was suspended on July 1 from the rectorship of the Lithuanian Catholic church of East St. Louis, but who had refused to obey the mandate of the bishop, has finally capitulated and will depart for Cleveland, Ohio, where he formerly had charge of a flourishing parish and has many friends.

Frederick M. Hubbell of Des Moines, Iowa, who has planned tentatively the founding of a great college at the Iowa capital, is one of the wealthiest men in the state. There is a special provision for the payment to Mr. and Mrs. Hubbell during their lives of stated sums, and there is a limitation also covering the lives of other members of the family.

William C. Hartridge, the lawyer who was sent to the Caroline Islands by the widow of the famous David D. O'Keefe, king of Yap, to look up the estate of her remarkable husband, has returned with the information that he found O'Keefe's will on file at Hong Kong. The estate is valued at \$1,500,000, most of which is left to the widow and daughter, who live in Savannah, Ga.

Miss Nora Holthouse, deputy recorder for Wayne county, Indiana, has announced her candidacy for the office of county recorder. She is the first woman candidate for public office which Wayne county has. Miss Holthouse has been connected with the recorder's office for ten years. She entered the office while her father was recorder and has acted as deputy ever since. Five other candidates for the office, including the incumbent, have been announced.

The correct way to pronounce the name of Maeterlinck, the author and dramatist, is as though it were spelled "Mahterlink," not Mayerlink, or Meterlink as it is variously called. The French pronounce it Mayerlink because the sound of ae in French is "a" but in Belgian French the ae is pronounced "ah." Maeterlinck is a Belgian, having been born at Ghent in 1864. He has been styled "The Belgian Shakespeare." It was in 1890 that he first became famous upon the production in Paris of his play, "La Princesse Maleine."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & Co., Toledo O.

Sold by Druggists 75c. Hall's Family Pills are the best.

The poisons of some of the common and also of some of the most loathsome diseases are frequently contained in the mouth. In such cases anything that is moistened by the saliva of the infected person may, if it touches the lips of another, convey disease. The more direct the contact, the greater the danger. It is believed that much can be done to prevent contagion by teaching habits of cleanliness.

FROM SOUTH AFRICA
New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by Lee Beall.

Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bess, of Fremont, N. C. writes. Only 50c, at Lee Beall's, Druggist.

Several times a year the lobsters shed their shells, and each time the shell is shed the lobster increases in size. During the shedding season they go into the coves with soft muddy bottom and conceal themselves in the mud. A new shell of sufficient thickness to protect their bodies is grown in about a month or six weeks.

HOW OLD IS ANN?

MARY IS 24 YEARS OLD. MARY IS TWICE AS OLD AS ANN WAS WHEN MARY WAS AS OLD AS ANN NOW IS. HOW OLD IS ANN? \$500 VS. \$318.

Ann may be as old as Mary, and she may not. It is a complicated proposition, or seems to be. But it is as simple as a-b-c to find the difference between 500 and 318. If a man had to walk 500 miles and had already walked 318, how many miles would he have to go before he reached the end of his journey?

If a lady wishes a beautiful piano, possessing a tone that will be a delight to her as long as she lives, and beautiful enough to ornament her home, no matter how handsomely it is furnished, if she can secure such piano and still save the difference between \$500 and \$318, how much is she going to have to spend for gowns and hats, or pleasure trips, theatre tickets, or a musical education? Exactly \$182, is it not?

This is a practical consideration. Everybody is anxious to get the most they possibly can for their outlay, in order that they may have all the greater surplus for pleasures. Eilers Piano House, at all times enables purchasers to save materially on their purchases. The piano we are now offering, however, for \$318 is by far the best bargain that purchasers have ever had the opportunity of securing. Printer's ink cannot convey an idea of the worth of these pianos, neither can a picture adequately portray the beauty of their design and finish. They must be heard in order to understand the exquisite quality of their tone, seen and examined to learn the excellence of the workmanship and care bestowed upon every detail of their construction.

Made especially for Eilers Piano House according to specifications they meet the requirements of Western climatic conditions as no other piano now does. We are anxious to have them become thoroughly known throughout the entire Northwest. When they are, buyers will not hesitate to pay their full price \$500. That is why we have reduced the price nearly half, and are selling these splendid pianos for \$318. The offer is only for the first three pianos sold in every county in our territory.

Easy payments may be arranged by those who do not wish to pay cash. Every piano is fully guaranteed by us and money will be cheerfully refunded if instrument fails to prove exactly as we have represented it. Write us for full descriptions of these pianos, and also of good pianos in less elaborate cases, which we are selling for \$183, \$156 and \$218, payable at the rate of \$6 a month. Eilers Piano House, Washington street corner Park, Portland, Ore.
