Henry W. Lucy, "Uncle Toby, M. By the winter schedule of the Ashland Klamath Falls stage line which began Nov. 1, our mail will not reach here until 1 o'clock at night. This practically makes it a day later than usual while if it came by way of the Klamath Lake R. R. it would reach here in one day from the railroad. Do the business people of this city intend to stand for this inconvenience another winter? As soon as the roads get muddy it will be as bad as last winter when it sometimes took two days and a night from Ashland.—Klamath Republican.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Not only is an order of this kind important in itself, but the prestige it will give German industries in that country will be very considerable.

FROM SOUTH AFRICA. New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by Lee Beall.

Great Britain comes next, then France, Germany and Russia. America spends more money than any other country, but not in maintaining great armies.
