

Reconnoitering Reservoir Sites.

(Ashland Tidings)

H. E. Green and J. E. Reese, of the hydrographic branch of the United States Geological Survey, arrived in Ashland, Thursday evening, in their overland road outfit drawn by four horses, from Red Bluff, Cal. They are in the reclamation service and from here crossed the mountains on an investigating and exploration trip to locate eligible sites for storage reservoirs of waters to be used in the reclamation of arid lands. Their prospective route takes them to Pelican Bay, Fort Klamath, Klamath Agency, the Sprague River valley, Bly and Bonanza. Mr. Green said that before completing their present expedition that Goose Lake, all of the Modoc lava beds and the Honey Lake district would be covered. When a reservoir site is located they do the necessary surveying, and later will be followed by crews of construction men, who will build the basins as mapped out. Messrs. Green and Reese will be in the field until the winter storms set in an compel them to suspend operations for the season.

This is the first advent into Southern Oregon of Government hydrographers for the purpose of conserving waters in the reclamation of arid land since the passage of the irrigation act by congress.

Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the roots used in its preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Rokerick of Poolesville, Md., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect." For sale by Lee Beall.

Nearly three years ago the Government sent a shipload of teachers to the Philippines. Nearly all of the survivors have returned to the United States. They found the heat intolerable, the homes provided for them unsatisfactory, and the cost of living much higher than they anticipated. The Government is now endeavoring to recruit another corps of teachers for that country, but is experiencing much difficulty. A second civil service examination is to be held in San Francisco November 18th and every effort is being made to have a large number of applicants present.

Only Makes a Bad Matter Worse.

Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by lack of water in the system, and the use of drastic cathartics like the old fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by Lee Beall.

A gentle pony, accustomed to being ridden by children, nearly caused the death Friday last of Myrtle Walters, the twelve-year-old daughter of Elmer Walters, of Bonanza, says the Express. The animal frightened at the saddle blanket which had become loosed, set into bucking, throwing the young lady off, her foot remaining in the stirrup. She was dragged some distance before her foot became disengaged, the horse the while striking and kicking. The injuries received were severe, but fortunately they are all external, and recovery will follow.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Lois Cragg of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by Lee Beall Druggist. Price 50c, and \$1.00. Trial bottles free.

Drove His Beef To Market.

(Klamath Republic)

Charles Horton, of Bonanza, received a letter Monday from his brother, who recently drove a band of cattle from this county to Stock Yards, Cal., where he delivered them to the Oakland Meat Market to be sold on commission. He states he is having very good success in disposing of the cattle. Most of the band were cows and for these he is getting from 5 to 6 1/2 cents while the steers are selling for 7 to 7 1/2 cents.

Charles H. Voorhees recently died suddenly at Lexington, Ky., at the age of 62. He was perhaps the most famous American duelist that was ever graduated at Heidelberg, having on his body at least 20 scars, caused from wounds received in dueling.

HUMOR OF THE HOUR

Uneasy Lies the Head.

King Peter—I see my latest ukase is ignored. What's the reason?
General Krackovitch—The army failed to approve of it, your majesty.
King Peter—It did, eh?
General Krackovitch—Yes, your majesty, it just did with a big, big D.
King Peter—Say, I'd like to know who is running this country?
General Krackovitch—Gimme something harder. It's the army, your majesty.
King Peter—It is! Well, I'd like to know where I come in.
General Krackovitch—Well, the army can tell you mighty quick where you'll go out if you make any trouble.
King Peter—Hang it all, I was almost sure I wouldn't like this job! Those confounded soldiers don't show me any respect. Why, only last night I was passing the barracks when a lot of fellows in front of it began singing, "Pete, Pete, is a gilded cheat." That's a pretty sort of verse to sing about a reigning monarch. What does it mean?
General Krackovitch—Well, the army means, your majesty, that the boys are getting ready for another king hunt.
King Peter—Gee whizovitch! I knew I wouldn't like this jobvitch.—Cleveland Plain Dealer.

Too Much For Paw.

The room was very quiet.
"Paw," said Ostend, "if you use too much tobacco will you get a tobacco heart?"
"Yes, my son," replied paw, looking up from his paper.
"Well, paw, if you drink too much wood alcohol would you get a wooden leg and?"
But there was the sound of a struggle, and again the room was quiet.—New York Herald.

Not Much to Say.

Bragg—Yes, sir, I've decided to have a long talk with the boss and tell him just what I think.
Nagg—Is it possible?
Bragg—Why, don't you believe I've got the nerve to tell him what I think?
Nagg—Oh, yes, but if you tell him just what you think how are you going to have a long talk.—Philadelphia Press.

THEDFORD'S BLACK-DRAUGHT

More sickness is caused by constipation than by any other disease. Thedford's Black-Draught not only relieves constipation but cures diarrhoea and dysentery and keeps the bowels regular.

All druggists sell 25-cent packages.

"Thedford's Black-Draught is the best medicine to regulate the bowels I have ever used."—MRS. A. M. GRANT, Sneads Ferry, N. C.
