LAKEVIEW, OREGON, NOV. 26, 1903.

The inventor of the safety bicycle, George Shergold, is dead in an English poorhouse.

Hovhan Magopian, a student in the University of Wisconsin, is an Armenian who has suffered greatly because of the cruelty of the Turks. He has translated Tennyson's "In Memoriam" into Armenian.

Miss Anne Hobson, sister of Captain R. P. Hobson, has written a number of negro dialect stories which are published under the title of "In old Alabama." Miss Hobson is a southern woman who has given considerable study to the negro dialect and reproduces it creditably.

Bishop Phelan of Pittsburg owns a remarkable set of church vestments. They were brought into this country from the Philippine islands at the time of the Tenth Pennsylvania regiment's return. They are supposed to be the work of native Filipino sisters, and apparently are 100 years old.

Governor James H. Peabody of Colorado, who is charged with abuse of power in connection with the recent miners' strike, is a native of Vermont, where he was born in 1852. For a time he was clerk in a Boston dry goods house, but went to Denver, where for a time he acted as a fireman, and then to Canyon City, where, favored by fortune, he became a banker. The Governor always has been active in politics.

James M. Barrie, the novelist, has no patience with reporters who try to pry into his private affairs. On one occasion he was asked to pen a short autobiography. At first he refused and then, when the reporter began to coax him, he stopped him, took up his pen and wrote as follows: "On arrival in London it was Mr. Barrie's first object to make a collection of choice cigars. Though the author of 'My Lady Nicotine' does not himself smoke, his grocer's message boy does. Mr. Barrie's pet animal is the whale. He feeds it on chestnuts."

Governor Mickey of Nebraska visited the state asylum at Lincoln recently and fell into conversation with a gang of men who were threshing wheat. Some one dared him to take a hand in the work, and the governor promptly took up the challenge. Donning overalls and tossing aside his coat and waistcoat he pitched in, tabling the wheat while two feeders supplied the machine. So fast did he work that at no time did the two men have to pause on his account. After a half hour's stunt the governor resigned his position.

In telephoning between Paris and London during a storm conversation in England is impossible, but French is easily understood, because it has not so many sibilant sounds and unequally accented syllables.

Doesn't Respect Old Age.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 25c, at Lee Beall's Drug Store.

A collection of paintings valued at more than \$50,000 and a collection of trinkets and souvenirs gathered during a two years' sojourn in the far east, were destroyed recently by a fire in the studio of J. Ambrose Prichard, an artist of Boston.

A Runaway Bicycle.

Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove, Ill. He developed a stubborn ulcer unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and piles, 25c, at Lee Beall's Drug Store.

Mr. Kunz, Tiffany's diamond expert, recently during a lecture in New York city showed radium glowing through a glass tube, a rubber tube, a piece of lead pipe, a piece of iron pipe, three copper cylinders, and a jar of water, the wonderful substance apparently shining as clearly through all of these substances at once as it did through any one of them.

FROM SOUTH AFRICA.

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by Lee Beall.

According to observers in the Adirondack woods, at least three moose have been seen, recently, working their way north into Canada, and it is inferred that the attempt to stock the north woods with them will fail, and that moose placed there will take the same trail to Canada that was taken by their ancestors 75 years ago.

Cox of Brooklyn, by the Humane society of Massachusetts in awarding him a bronze medal for bravery in saving life. Stanley saved the life of Frank Deveau, a boy of 8, at East Gloucester on August 13 last. Both boys became unconscious when they were taken from the water. Cox soon recovered, but the Deveau lad was believed to be dead, and was not revived for an hour.

Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bess, of Fremont, N. C. writes. Only 50c, at Lee Beall's, Druggist.
