

Democrats Met in Portland.

The Democratic state Central Committee at its meeting in Portland last week appointed Tuesday, April 19th at 10 o'clock a. m. as the time, and Portland as the place for the next state convention.

After some discussion the committee decided that the appointment of delegates should be in the ratio of one delegate for each 175 votes cast for Gov. Chamberlain, with one delegate at large from each county. The representation of the several counties will therefore be as follows:

Baker, 13; Benton, 6; Clackamas, 11; Clatsop, 7; Columbia, 4; Coos, 6; Crook, 4; Curry, 2; Douglas, 12; Gilliam, 3; Grant, 6; Harney, 3; Jackson, 10; Josephine, 5; Klamath, 3; Lake, 3; Lane, 13; Lincoln, 3; Linn, 13; Malheur, 4; Marion, 17; Morrow, 3; Multnomah, 48; Polk, 7; Sherman, 3; Tillamook, 3; Umatilla, 13; Union, 11; Wallowa, 6; Wasco, 8; Washington, 9; Wheeler, 3; Yamhill, 8.

The convention will consist of 272 delegates. Under this apportionment Multnomah county will have 48 delegates whereas in the conventions of 1900 and 1902, she had only 35 and 41 respectively.

Before a Kansas justice of the peace the other day a man was tried on a charge of stealing hogs. After the evidence was in his attorney pleaded that his client had stolen pigs, not hogs, and asked that he be discharged. In support of this contention he cited a supreme court decision which released a man who was charged with stealing a stallion when it was shown that the horse was a gelding. The judge took down Webster's dictionary and read that a pig is a hog. He said if the supreme court thought a pig wasn't a hog it could decide so on appeal. "For my part," he said, "I'm going to stand by old Noah."

More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50 cents, and satisfaction guaranteed by Lee Beall, Druggist.

Annually, in London, a public exhibition of work horses is held in Regent's park. The horses, groomed to the last hair, their manes and tails decorated with gay ribbons, their harness clean and bright, and carts, wagons and drays all spick and span, are inspected at the gates by veterinary surgeons, and if they pass they are reviewed by street department and other city officers, and the drivers of the best cared for horses are awarded substantial money prizes. This annual ceremony is believed to have great influence in the direction of humane treatment of the animals which work in the streets of London.

Best Remedy for Constipation.

"The finest remedy for constipation I ever used is Chamberlain's Stomach and Liver Tablets," says Mr. Eli Butler of Frankville, N. Y. "They act gently and without any unpleasant effect, and leave the bowels in a perfectly natural condition." Sold by Lea Beall.

There are at present about 15,000 Japanese settlers in Korea. In the third century that country belonged to Japan, having been conquered by the Empress Jingo. In the years 1594 to 1598 Korea again was subject to Japan.

A Colorado congressman whose seat was contested voluntarily gave up his seat as soon as he was convinced that his victory was due to fraud. Museum managers should get busy with their communications. He is the only one of the kind in existence.

Judge William H. West of Bellefontaine, Ohio, "the blind man eloquent," who nominated Blaine for the presidency in the republican convention 20 years ago, recently celebrated his 80th birthday. Notwithstanding his advanced age Judge West is in excellent health.

The largest shoe factory in France uses only American machinery. The growth of this manufactory is phenomenal. Before the Paris exposition of 1900 this factory was a very small one, employing only French machinery. Since then it has increased until it is now the largest in the republic.

Human hair grows better in light than in darkness, because of the stimulating effect of light and sunshine. It has often been noticed in the case of men who sit in offices, with one side always turned toward the light, that the mustache or beard of that side grows longer than that on the other.

The first order for the new Louisiana Purchase Exposition stamps calls for the printing of 90,000,000 one-cent stamps bearing the portrait of Robert R. London is just now greatly interested in a mysterious beauty specialist, whose testimony is that the English girl has the greatest beauty possibilities, being far above the girls of other nations. This authority says that it is because English girls play hockey and tennis and hunt and swim and walk and live so much in the open air that they look so well and keep young and are generally such good material for a "beautifier" to work upon.

FEMALE WEAKNESS

542 1-2 Congress St. PORTLAND, MAINE, Oct. 17, 1902. I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whom I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Treasurer, Portland Economic League
