

FOREIGN FACTS.

Egypt, with nearly 10,000,000 people, has only one lunatic asylum. Lately the Paris chamber of commerce celebrated its first centenary with a gala banquet. School examinations in the Swedish language at Helsingfors, Finland, have been prohibited by order of the Russian government. In Edinburgh the number of outlet shops and houses is larger than for some years, owing, it is said, to the "rush to Canada." The cottage at Chalfont St. Giles, Buckinghamshire, in which Milton lived is to be restored at a cost of \$1,500. The building is used as a public museum and contains a first edition of "Paradise Regained." The lock to be placed in the Danube-Oder canal will be 131 feet high and the highest in the world. The Austrian minister of commerce has offered prizes of 100,000, 75,000 and 50,000 crowns for the best plans for it. Formerly a Chinaman who gazed upon the emperor and empress while they were being carried along the street lost his head. Since the emperor's return from Singanfu this rule has been revoked, but the populace has not yet mustered its courage, and not long ago when the imperial party were in Shanghai the streets were deserted.

PLAYS AND PLAYERS.

Guy F. Steely and Frederic Chapin, the authors of "The Storks," have finished another operatic comedy. The stork has visited Charles Richman's cottage at North Asbury, N. J., and left a baby girl for the actor. "The Runaways" is still notable for its collection of show girls, probably the prettiest collection of the season. William G. Beckwith, the leading man with the Aubrey stock company, will be starred next season at the head of the company. Georgia Caine, the prima donna of "Peggy From Paris," plays golf on the Allston (Mass.) links every morning, regardless of weather. Harry Conroy in the support of Miss Ring in "The Blond in Black," at the Knickerbocker, has a part that fits him well. As a man milliner he is a success. Guelma Baker, who plays Lutie Plummer in "Peggy From Paris," has chartered a sloop for the summer. Miss Baker learned to sail a boat during her long residence on the Pacific coast. Raymond Hitchcock, who made a hit in the title role of "King Dodo," will create the title role in "The Yankee Consul," the new comic opera that Henry W. Savage will produce next season.

MODES OF THE MOMENT.

Genuine lace retains its popularity, and other is the favorite tint. Sleeves are now growing more and more baggy, the whole of the bagginess coming at the wrist. Incrustations of lace medallions or of printed silk flowers are among the most popular decorations on summer dresses. On street shoes and Oxfords the heel one and a half inch in height is most in demand. For dressy shoes the Louis XV. heel of medium height has the preference. Peau de laine is a rival to peau de soie, the wool having been woven into the same leatherlike surface as the silk, and both show off colors to great perfection. It is predicted that the Russian blouse skirted coat with its slight pouch in front and in a length that reaches almost to the knee will make its appearance in the early fall. Grass lawn makes an admirable petticoat of the washable type. Finished with frills embroidered in black or colored flax thread, a chain stitch of the same heading the hem, such a skirt is both useful and pretty. - Brooklyn Eagle.

Indian Territory Capitals. "The educators of the Indian Territory should endeavor to educate the various schoolbook publishing companies in regard to the capitals of the Indian country," recently said Tams Bisby, chairman of the Dawes commission. "Every geography published has Tablequah as the capital of the Indian Territory. The maps of the territory in these geographies show scarcely any other towns. But Tablequah is always placed up in heavy black letters, with the star representing the capital. It is about time that authors of geographies knew something of the geography of the Indian country, and the educators here ought to draw their attention to the inaccuracies of the textbooks on geography. As a matter of fact the Indian Territory proper has no capital, as it is not a regularly organized territory. It is simply the Indian Territory. The seat of government is Muskogee. Each of the five civilized tribes, however, has a capital. Tablequah is the capital of the Cherokee nation, Okmulgee of the Creek nation, Tishomingo of the Chickasaw nation, Wewoka of the Seminole nation and Tuskahoma of the Choctaw nation.

A MARKED CENT.

The Odd Way It Came Back to the Man Who Lost It. Take an ordinary copper cent piece, stamp it with a private mark, put it into circulation, and what are the chances that you will ever see it again? There is one man who says that he has tried the trick and succeeded at it. He is a business man who refuses to allow his name to be used in print about the story, but he tells the tale to many of his friends and he vouches for its truth. In 1894, he says, he found a cent piece, dated 1893, in the restaurant of the Lafayette hotel. He pocketed it for luck and as a memento of a jolly little dinner scratched his initials on it just over the feathered head, while on the cheek he added those of the hotel. Until 1896 he treasured the coin, then drew it out of his pocket with a handful of other change and before he realized it the cent piece had gone the mysterious way of all money. A year ago he chanced, being of a curious turn of mind, to fall into conversation one evening with a professional beggar at Broad and Chestnut streets. He upbraided the man for getting so much money for nothing. "Oh," said the beggar, "I don't get so much. That's all I've got in the last hour." And he held up a cent piece. At that moment the electric light fell upon the coin, and the business man, to his amazement, caught sight of the letters "H. L." on the cheek of the face. He took the coin and examined it more closely. Sure enough, there were his own initials just above the feathers where he had placed them a half dozen years before. At once his prejudice against begging vanished. "I'll give you a dollar for that coin," he cried. The beggar grew wary at this eagerness and demanded \$5. Needless to say, he got it and also of course the cent piece has never since left the business man's watch chain, which it now adorns.—Philadelphia Press.

OVER THE OCEAN.

There is a growing demand for bicycles in China. Wales is suffering from a large recent increase in the number of tramps. Spain's annual export of pickled green olives amounts to about \$800,000. At a recent bullfight in Lisbon one of the bulls jumped over the railing and killed two of the spectators. The Salvation Army has been granted a monopoly of the street shoeblackening business in Copenhagen. Irish is today the living tongue of almost as many people as speak Welsh, Greek, Servian, Bulgarian, Norwegian or Danish. In Galway alone are 17,824 persons who can speak nothing but Irish. It is estimated that the journey between London and Paris will be shortened by twenty minutes by the use of crates for passengers' luggage, experiments with which were made recently at Calais. The Moscow Gazette warns the Russian government against allowing Englishmen to settle in the oil districts of the Caucasus, as the situation may become the same as that in the Transvaal before the war. To lessen the risk of disease orders have been given that all Egyptian pilgrims going to Mecca next year must accompany the holy carpet, which is sent from Cairo to Mecca annually with a military escort. Doctors will travel with the pilgrims.

HORSES AND HORSEMEN.

Lou Dillon will be matined and will not be in the way of the green trotters "down the line." Silversign, 2:10 3/4, and several other good ones in Denver will be trained by Tim Murname, formerly of Toledo, O. W. F. Knapp, formerly of Monroe, Mich., is now a resident of Toledo, O., where he has moved his stable of trotters. The speedway in Detroit is changed for the time being. The council propose to appropriate \$3,000 for its reconstruction. Norvin G., 2:09 1/4, pacing, and with a three-year-old trotting record of 2:29 1/4 will be shifted to the trot again this year. The stables at the mile track at Syracuse, N. Y., are filling rapidly, and the track is reported as being in tip top condition. William Wilson, who was assistant to Scott Hudson, is now training the horses of the Vinebrook farm, Lexington, Mass. Mars Cassidy, the running horse starter, has sent his mare, Gretchen, 2:13 1/4, to the Village farm, where she will be bred. Irish is the name of the Monterey (Cal.) pacer that will be raced by Ab Fullager. He is owned by Frank Gorton, Chicago.

We seldom fear a danger that we cannot see. The danger of being run-down by a horse is a very real one to everybody, the danger of being murdered by a microbe does not trouble us. And yet the minute microbe is more dangerous than the wildest horse. The only people who can afford not to fear the microbes of disease are those who keep their blood pure and rich. These are practically immune from the attacks of most microbes. Dr. Pierce's Golden Medical Discovery purifies and enriches the blood, and gives the body a vigorous vitality. It cures scrofula, eczema, boils, pimples and other eruptive diseases which are caused by impure blood. "I had been troubled for about four years with eczema, or a skin disease, which at times was almost unbearable as it would itch so," writes Mr. John Larison, of 115 Powhattan St., Dallas, Texas. "I concluded to try Dr. Pierce's Golden Medical Discovery, and after using five bottles found that I was entirely cured. Please accept many thanks." Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the blood. Dr. Pierce's Pleasant Pellets cure constipation and its consequences.
