

The Chewaucan Post says that Wm. Holder will conduct an experiment farm about twelve miles south of Paisley. Mr. Holder has secured several species of grass seed and will make a thorough test of the yielding qualities of the different species on his farm the coming season. That these tests will prove successful there is no doubt, as the soil there is of the kind that produces abundantly when properly cultivated, and the climate is excellent for all the hardier varieties of vegetation. Mr. Geo. Conn, merchant of Paisley, who owns several hundred acres of land adjoining Paisley, has made some experiments with grass that have proved successful.

A Thoughtful Man.

M. M. Austin of Winchester, Indiana, knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. Kings New Life Pills and she got relief at once and was finally cured. Only 25c, at Beall's Drug Store.

Because her husband compelled her to work on the farm grubbing stumps, Elizabeth Avery of Oregon City has asked a divorce from John Avery. How ungrateful some women are.

Charley Lamb found a dead eagle, which had evidently been poisoned, on his ranch last Monday that measured seven feet from tip to tip of the wings and 8 inches from tip to tip of talons.—Cedarville Record.

The New Era says that Ted Bantler, who is employed on a ranch near there, met with a severe accident recently while assisting a man repair a wagon. A hatchet in the hands of a friend flew off the handle and struck Ted on the cheek just below the eye, cutting an ugly gash, which gave him considerable trouble before the wound began to heal.

Best Cough Medicine for Children.

When you buy a cough medicine for small children you want one in which you can place implicit confidence. You want one that is unquestionably harmless. You want one that is pleasant to take. Chamberlain's Cough Remedy meets all of these conditions. There is nothing so good for the coughs and colds incident to childhood. It is also a certain preventive and cure for croup, and there is no danger whatever from whooping cough when it is given. It has been used in many epidemics of the disease with perfect success. For sale by Lee Beall.

J. C. Woodward tried the experiment of wintering a band of goats on the range around his ranch and out of 110 only 30 now live.—Post.

The Post was the only paper in the county last week to fly the Republican ticket at the head of its editorial column. What was the matter with Lakeview?—Paisley Post. Nothing at all, Brother. We call your attention to the second editorial column of The Examiner of that week which contained the name of every nominee on the ticket, giving each of them an appropriate write-up. Better fill out your ticket, Mr. Editor, you haven't any commissioner.

In commenting upon the Republican ticket placed in the field in Lake county, the Cedarville Record speaks very highly of E. E. Bluehart, our nominee for sheriff, and E. N. Jaquish, nominee for clerk, these two gentlemen having spent several years in Cedarville, where they are known to be upright in every way.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States for any case of Leucorrhoea, Female Weakness, Protoplasm, or Falling of Womb, which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

No other medicine than Dr. Pierce's Favorite Prescription could possibly "win out," as the saying goes, on such a proposition; but they know whereof they speak. They have the most remarkable record of cures made by this world-famed remedy ever placed to the credit of any preparation especially designed for the cure of woman's peculiar ailments. This wonderful remedy, therefore, stands absolutely alone as the only one possessed of such unrivaled properties as to fully warrant its makers in publishing the remarkable offer above made in the utmost good faith.

"A short time ago I was almost dead with nervous prostration, general debility and female weakness," writes Mrs. Loreto Webster, of 317 Virginia Ave., Lexington, Ky. "Worthy Treasurer, Independent Order of Good Templars." "Dr. Pierce's Favorite Prescription was recommended to me as a sure cure, and I found this to be true, for I obtained splendid results, securing fine health. Women ought to be grateful to think there is one safe and sure cure offered to them for their troubles. I advise every sick and suffering woman to stop spending money and wasting time with doctors' prescriptions when a few bottles of your remedy is sure to cure. I am the happy mother of two children, boy aged sixteen, and girl, eight years."

Do not permit the dealer to insult your intelligence by suggesting some other compound which he recommends as "just as good," because he makes it himself. Dr. Pierce's Favorite Prescription has stood the test of time and experience. Thousands speak well of it—because thousands have been cured by it.

To take effect, Tuesday, Apr. 1, 1903.
