

Views of W. J. Bryan

Chicago, April 23—Wm. J. Bryan addressed a large audience tonight in the armory of the Second infantry. The meeting was entirely an affair of Bryan's, he having rented the armory and paid all expenses of the meeting. He was particular to have it understood that his address was not in favor of or against any particular aspirant for the democratic nomination for president.

His subject was the New York platform. This he repeated several times during his speech. Mr. Bryan was his own presiding officer.

"Judge Parker is not a fit man to be nominated either by the democratic party or any other party that stands for honesty or fair dealing in politics.

"The New York platform is ambiguous, uncertain, evasive and dishonest. It would disgrace the democrats of the nation to adopt such a platform, and it ought to defeat as an aspirant for a democratic nomination any man who would willingly have it go forth as a declaration of his views.

"Can anyone doubt that with such a platform the party would be mortgaged beforehand to the corporations?

The president to be elected this fall will doubtless have the appointment of one or two, and possibly three, supreme court judges. If his sympathies are with the corporations he will doubtless appoint judges satisfactory to the corporations.

"With a candidate willing to run upon the New York platform the party could secure as large a campaign fund as the republican party ever received.

"The issue presented today in the trust question and in all others with which we have to deal, is the question between human rights and the so-called property rights.

"If we are to take the platform as an indication of what the next democratic platform is to be, then we will be unable to deny the secret purpose of the reorganizers to turn the party over to predatory wealth.

"I, for one, am not willing that the democratic party shall become the tool of the corporations; I am not willing that it shall become the champion of organized wealth."—Oregonian.

A Startling Test

To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Lee Beall's Drug Store.

Snow Storm was General

Glen Falls, N. Y., April 16—The whole Adirondacks country today is in the grasp of a blizzard which for severity has not been equaled during the past winter. From 10 to 15 inches of snow fell during the night. The county roads are blocked and traffic on the steam and electric lines is delayed.

Schnectady, N. Y., April 16—A driving snow storm prevailed throughout this section. All trains on the New York Central from the west were from one to two hours late, the sleighing was as good as any time during the winter.

A Sure Thing

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherd town, W. Va., says, "I had a severe case of Bronchitis, and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It is infallible for Croup, Whooping Cough, Pneumonia, and Consumption. Try it. It's guaranteed, by Lee Beall, Druggist. Trial bottles, free. Reg. sizes 50c, \$1.00.

Gives Facts About Advertising.

Every man or woman who is now advertising or intending to advertise, should send ten cents for a copy of White's Sizing published at Seattle, Wash., at \$1.00 per year.

This paper gives practical hints about advertising systems, advertising illustrations, writing advertisements and suggests methods to get more business at less expense.

It gives the advertising rates of all the leading publications and in many other ways is worth the \$1.00 per year.

A paid up subscriber may ask all the questions he desires about business and advertising methods and receive confidential replies. One department, for hustlers, tells you how to start in business for yourself and become independent.

Dragging Pains

2825 Keeley St., CHICAGO, ILL., Oct. 2, 1902.

I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

Maudie Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.
