Prices For Shearing

Minimum prices for the season of 1904 in the states of Washington and Oregon are as follows:

Seven cents per head straight and board; or 9 cents per head straight without board, for weathers 3 years and older.

Bucks to be two strings for each.

Shearers to pay nothing for tying wool.

Employers to have the privilege of furnishing machines and repairs; but where shearers furnish machines and repairs all prices shall be one half a cent per head higher than given above.—Ex.

Cured Mother of Rheumatism.

"My mother has been a sufferer for many years with rheumatism," says W. H. Brownell, of Highland, Pa. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she testified that it was the most wonderful pain relief that she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain she was formerly troubled with." For sale by Lee Beall.

A preacher over in Modoc county wrote a local paper an article in which he stated that he always kept a sweet heart. The fool printer put it "sweetheart," and now the editor and preacher are trying to compromise.

Whooping Cough

"In the spring of 1901 my children had whooping cough," says Mrs. D. W. Capps of Capps, Va. "I used Chamberlain's Cough Remedy with the most satisfactory results. I think this is the best remedy I have ever seen for whooping cough." This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneumonia. For sale by Lee Beall.

Bid For Wood

Sealed proposals, addressed to the Recorder of the Town of Lakeview, will be received by him until 7 o'clock P. M. June 7, 1904, for furnishing and delivering 500 cords of pine wood. Bids will be received in 50 cord lots or more, and must state the earliest possible date of commencement of delivery. Each bid must be accompanied by a certified check on a local bank, or cash, for ten cents, on each cord the bidder offers to furnish, which check or cash will be forfeited to the town of Lakeview, Oregon, in case any bidder receiving an award shall fail to execute a contract with good and sufficient sureties; otherwise, to be returned to the bidder. The wood must be sound and well seasoned, and must be in the yard by the 15th day of November.

Bids in 50 cord lots preferable.

The council reserves the right to reject any or all bids, or any part of any bid.

Respectfully,

W. B. SNIDER,

Recorder.

An Open Letter

From the Chapin, S. C. News: Early in the Spring my wife and I were taken with diarrhoea and to relate were the pains that we endured a physician who prescribed for us, but his medicines failed to give us any relief. A friend who had a bottle of Chamberlains Colic Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale by Lee Beall.

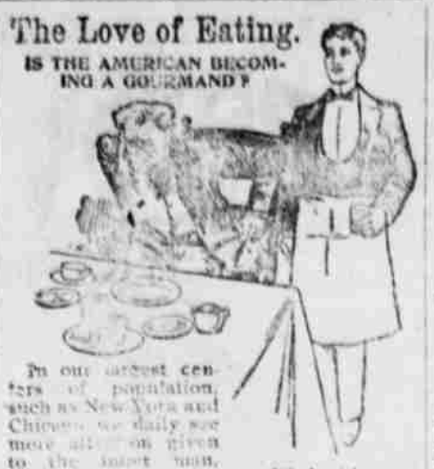
The Love of Eating.

IS THE AMERICAN BECOMING A GOURMAND?



In our largest centers of population, such as New York and Chicago, we daily see men who seem to give all their time and attention to thoughts of properly or improperly feeding their stomachs. "It is of course best to eat slowly, but not too much," says Dr. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y. In this 20th century people devote so much time to head work that their brain is fagged and there isn't sufficient blood left to properly take care of the other organs of the body. The stomach must be assisted in its hard work—the liver started into action—by the use of a good stomach tonic, which should be entirely of vegetable ingredients and without alcohol. After years of experience in an active practice, Dr. Pierce discovered a remedy that suited these conditions in a blood-maker and tissue-builder. He called it Dr. Pierce's Golden Medical Discovery—an alterative extract that assists in the digestion and assimilation of the food in the stomach—so that the blood gets what it needs—at food and oxidation, the liver is at the same time started into activity and there is perfect elimination of waste matter. When the blood is pure and rich, all the organs work without effort, and the body is like a perfect machine.

Free! Dr. Pierce's Common Sense Medical Adviser is sent *free* on receipt of stamps to pay expense of mailing *only*. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth bound volume. Address Dr. R. V. Pierce Buffalo, N. Y.

That was a mighty good story C. M. Sohn, editor pro tem of the Chewaucan Post had in that paper last week about the first saloon in northern Lake county, and the way it was told makes it worth republishing if it was not for the fact that The Post has quite a large circulation and nearly everybody has read it by this time.
