Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The people are so much in need of its curative power, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

"I don't think we could keep house without Theford's Black-Draught. We have used it in the family for over two years with the best of results. I have not had a doctor in the house for that length of time. It is a doctor in itself and always ready to make a person well and happy."—JAMES HALL, Jacksonville, Ill.

Good advertising is the magnet which pulls trade.

You may have just as good values as the other fellow, but if he tells the public about his ability to do better for them than any one else and you do not he will get the trade.

Tell people why it is to their advantage to trade with you. Tell them convincingly and keep telling them.
